June 12 appeared as the day representing governance. The day crystalizes God's hands of authority as manifested in the list from A to G in the [6/7/22 Updated Changes](#) posted on June 12, 2022. His power continues under a New Covenant and the Plan of Action with the List of Orders for implementation.

On June 13, the Archangel presented The Judahite with the following schema of May 28.

18 Delineated

Purification. (The source to sanitize one's biblical hands and face will always be available.)

Vs.

Waste dumping. (That which has been processed and used per its life cycle, regardless of the degree of usefulness, come to the designated places of waste dumping.)

Another example among hundreds,
the oceans and rivers are trash disposal places.
(From Tik Tok).

Consumer goods, social ideals of constitutional behavior, religious, banking, and ideological systems of society (class, race, and gender economic exploitation) have life cycles that directly correspond to Daniel's statue image of a man depicting the Four Gentiles' social systems.

Waste dumping as a life cycle, be it natural food digestion or people holding on to any sectional aspects delineated by Daniel's Man statue image, constitute waste material. As such, waste material has no practical use and cannot integrate with the Stone Kingdom. Currently, at hand, the Commonwealth of Israel is in motion of separating from imperialism.

Today's realities present degrees of complexities

NO. We cannot imagine overly simplifying the realities, though illustrations are used to aid in the required levels of proficiency demanded by the Commonwealth.

As an application, the electrical current flow through wires to the receptacle. We use duplex outlets to plug in many devices for daily use. Consider each of us a ground-fault circuit interrupter outlet (GFCI). Look around the house and see the different devices plugged into each duplex outlet—the electrical current flow through wires to the receptacle.

A monitoring mechanism measures the flow of electrical current within each GFCI duplex outlet. Thanks to the sensor monitoring current flow, the duplex outlet automatically hits the off switch when the current flow either increases or decreases. The shutdown is called the circuit breaker, preventing fires, shocks, and electrical executions.

May 28 embodies the electrical current in the **ORDER** from the heavenly Court, powering the united operational concept of 14 and 18 that aim to replant the Israelites in the Lands of Promise under the New Covenant.

The non-beneficiary of May 6 automatically goes to the waste dump bins of history.

Waste dumping. (That which has been processed and used per its life cycle, regardless of the degree of usefulness, come to the designated places of waste dumping.

AND

Disintegration. (Unlike waste dumping, those representing unwanted are subject to the liquefaction and pulverized techniques. A working view of the method. A grinder platform with two lugs rotates (induction motor), knocking the food around and around against a stationary bland. The rejected stuff becomes liquified when the two work together in timing.

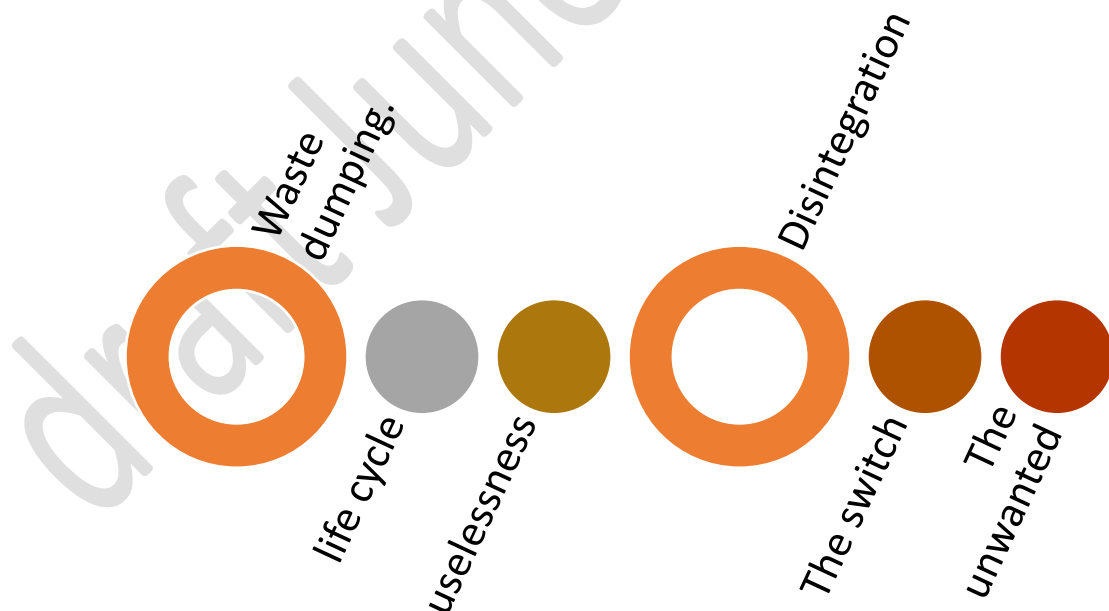

The unwanted requires no life cycle and no processing. The unwanted can appear in any state, both raw and processed.

The switch

Only the sanitized hand of flipping the switch actualizes disintegration. Without turning on the disposal switch, the disfavored will never become pulverized by grinding and finally pushed down the sewer drain.

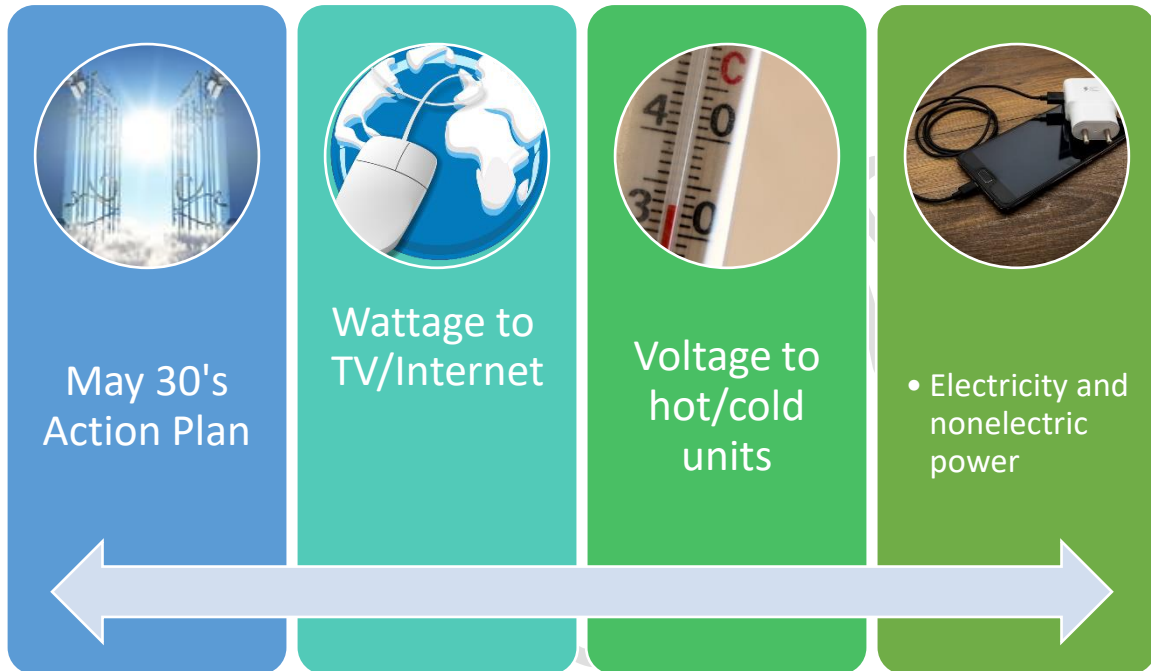

The Disfavored

The unwanted are those without inherited land claims. The Commonwealth of Israel rests on territorial rights of real estate inheritance.

THE FEAST OF TRUMPET

The Bible References to the Feast of Trumpet.

- Numbers 29:1-6 gives the origin and purpose of Trumpet.
- John 5:24 Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life. ^{5:25} Verily, verily, I say unto you, the hour is coming, and now is, when the dead shall hear the voice of the Son of God: and they that hear shall live.
- John 10:27 My sheep hear my voice, and I know them, and they follow me: ^{10:28} And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. ^{10:29} My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand.

The Americanized Feast of Trumpet

From the days of Leviticus 23: 23-25, the Feast of Trumpet has been rehearsed until its appointed date of fulfillment. Indeed, the Angel appeared in the night sky at the time of Yeshua's birth, singing *Glory to God in the Highest*.

The Feast of Trumpet always had a reserved date after Yeshua's ascension to coincide with the 400-year expiration date of the Abrahamic Covenant. By tradition, the Americanized Trumpet fell on July 4 as established by Nat Turner.

Now with the New Covenant in place, the Feast of Trumpet can be said to have reached consummation on June 16, 2022. However, the days of Trumpet will be observed by the 144k and Firstfruits until the second of July. Indeed, the sound of joy and music must flow with ecstasy.

- John 10:27 My sheep hear my voice, and I know them, and they follow me: ^{10:28} And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. ^{10:29} My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand.
