

## Tabernacle: The Meaning of November 25, 2022

**Two sides to a coin.**

Revisiting November 9 as the recasting date in which qualitative state of change gathers its constituents for the final stage of resolution with the enemy forces. At hand, Judah's conflict resolution to advance the Commonwealth of Israel.

Judah's history has always intertwined with his God, always a prominent part of his daily life. This fact accounts for the seemingly complicity surrounding Judah. For example, the Jews in current day Israel claim to be Jews. They advance an implied narrative of being from the tribe of Judah, but they are not, although they practice Old Testament ceremonial Customs.

Starting in AD 70, the Mosaic Curses started to take a bite. For two thousand years, Judah has been under the Mosaic Curses. By the time the New Testament canon was compiled, Judah was on his way toward losing total consciousness of his identity. Having predominantly practiced Old Testament Customs, Judah never matured to appreciate New Testament's teachings, though maturity of doctrinal knowledge would come in the land of Ephraim's USA.

All who serve Christ has a role to play. For example, the Gentile Christians have continued Paul's missionary work of evangelism, which has aided in recovering Judah's biblical identity and that of the Ten Tribes. Today, we look and see that the righteous Gentiles have played their role according to Romans 11:17:

- *And if some of the branches be broken, and thou, being a wild olive, art ingrafted in them, and art made partaker of the root, and of the fatness of the olive tree.*

The struggle to bring New Testament teachings to the world has not been easy, for the New Testament forewarned in an illustration.

- *I went to the angel and asked him to give me the little scroll. He said to me, "Take it and eat it; it will turn sour in your stomach, but in your mouth, it will be sweet as honey." I took the little scroll from his hand and ate it, and it tasted sweet as honey in my mouth. But after I swallowed it, it turned sour in my stomach. Revelation 10: 9-10.*

As discussed in previous presentations, only two milestones account for the taking of the scroll. Martin Luther, the leader of the Protestants Reformation translated the New Testament from Latin into German.

Esau, the Pope's administration, lived up to his character trait and fought to repress the New Testament. In 1618, the Thirty's Years War fought in Central Europe involving the Catholics and Protestants, taking an estimated life between 8-12 million lives.

The other milestone involving Nat Turner, who in character continued the Thirty's Years War. The principal player of the War appeared during Nat's days. He saw the white and black spirits fighting. As a preacher, Nat took Scriptures and evangelized in both deeds and death, leading to the Civil War.

- *And he said to me: Son of man, thy belly shall eat, and thy bowels shall be filled with this book, which I give thee. And I did eat it: and it was sweet as honey in my mouth. Ezekiel 3:3*

#### Defining terms

- turn sour in your stomach*
- thy belly(stomach) shall eat*
- thy bowels shall be filled with this book*
- viscera, internal organs, filled with spiritual nutriment. There is a saying you are, what you eat.*
- The stool is the by-product of extraction process. Once the body absorbs all needed nutrients from the food, the processed is discarded.*
- The stool is process for different uses.*

First, the stomach is where the undigested food goes. The word belly is interchangeable with stomach. The bowel shall be filled. This means the intestines, large and small, where the food is processed as the vital substance absorbed to enable the cells to perform as designed. Generally, bowel is referred to viscera. When understanding the context, bowel means the reproductive organs, the digestive system, the viscera association with the spiritual words of God, and the body's center of gravity, viscera, that registers the reaction to the Words of God.

Look at how Paul applies the term energetically,

- *For God is my record, how greatly I long after you all in the **bowels** of Jesus Christ.* Phil. 1:8.

Jesus Christ uses the analogy of his flesh eaten as food and his blood for drinking.

- <sup>6:56</sup> *He that eateth my flesh, and drinketh my blood, dwelleth in me, and I in him.* <sup>6:57</sup> *As the living Father hath sent me, and I live by the Father: so he that eateth me, even he shall live by me.* <sup>6:58</sup> *This is that bread which came down from heaven: not as your fathers did eat manna and are dead: he that eateth of this bread shall live forever.* John 6:56-58.

Jesus gives us an Astro-theological concept, though esoteric, we, who, follow him are Astro-theologians. Jacob saw a staircase on which angels descended from the throne of God to the earth ascended, rotating missions of coming and going.

- *And the Word became flesh and tabernacled among us (and we ourselves beheld His glory, the glory as of the only begotten with the Father), full of grace and truth.* John 1:16

From the above, the Word transmuted and appears in the image of tabernacle, a place of holiness. Generally known cavity organs, viscera, have associations with multiple correlations to the external. In a word, an organ functioning characterizes a situation or circumstance for a better topical understanding. The inner and the innermost parts of the body. Or the internal and external. The Bible gives many examples. Now consider:

- *And he spread it before me; and it was written **within and without** and there was written therein **lamentations, and mourning, and woe.*** Ezekiel 210

The viscera reflect an emotional state, like when enjoying good food. Or when a situation doesn't feel right. There must be a balance between the metal and the innermost part of the body. There must be harmony of one's being as seen in one's surrounding spirit. Now consider another use of the term:

- *When I heard this message, my **bowels were troubled** (**lamentations, and mourning, and woe**): my lips quivered. My bones seemed to melt, and I stumbled around. that I might rest in the day of tribulation: when he cometh up unto the people, he will invade them with his troops.* Habakkuk 3:16

Habakkuk referred to his state of mind that caused emotional fear in his inner and innermost organs once hearing the LORD's message.

Isaiah uses bowels in the context of heaven as the sound of grace.

- *Look down from heaven and behold from the habitation of thy holiness and of thy glory: where is thy zeal and thy strength, **the sounding of thy bowels and of thy mercies** toward me? they have held back themselves from me.* Isaiah 63:15

Jeremiah uses bowels as a vibrational emotion of fear to the LORD's Soundwave Frequency of declaration (**woe**). For example, Soundwave25 in 2020.

- *My bowels, my bowels! I am pained at my very heart; my heart makes a noise in me; I cannot hold my peace, because thou hast heard, O my soul, the sound of the trumpet, the alarm of war.* Jeremiah 4:19

On the 9<sup>th</sup>, the internal organ imprinted through the vibrational soundwave, *“the sounding of thy bowels and of thy mercies” of deliverance.*

### **A predetermined bowel movement.**

- *Son of man, thy belly shall eat, and thy bowels shall be filled with this book, which I give thee. And I did eat it: and it was sweet as honey in my mouth.*

## Body Cavity Diagram

For thousands of years, bowel movement has been a natural way of replanting fruit trees. When animals and birds eat undigested seeds, their dropping causes new plant life to grow. Likewise, metaphorically, the sour stomach and the intestines' perpetual contractions push belief seeds out for planting far and wide—germination.

### **Delivery of prophecy**

At hand, the stool by the closet and entrance doors marked the qualitative change state. The doors are certified because they are indexes to the Man-child's arrival in 2017.

From a different perspective, a bowel movement's discomfort mimics natural childbirth metaphorically speaking. The New Testament became "bitter in the stomach," leading to the Thirty Years War, Spanish Inquisition, and countless conflicts taking the lives of over sixty million. Those who fell fertilized the rebirth of faith in the New Testament.

But, this time, marking the qualitative change, the Man-child will start replanting the Word for Tabernacle's restoration that combines the divine iron rod to govern.

Indeed, The Judahite will use the iron rod. For those who can discern, the everyday reality shows many people are naturally suicidal because they fight each day to recreate a pre-flood society. Yet, they want to enjoy their lifestyle while at the same time assigning all to total destruction. Such logic is the demonic spell of "legion," always looking for company in a mass suicide ritual like the herd of swine jumping off the cliff.

Many think the new community, the Commonwealth of Israel, will allow them to perpetuate depravity lifestyles leading to another Mars, as seen in the images, showing past civilizations on Mars.

## **A Summary of November 25**

We are in the season of Tabernacle working under the New Covenant. The LORD replaced the Mount Sinai Covenant because the Children of Israel broke the Covenant.

The surveyor's stakes were put in place over a year ago by the LORD, indicating the edifice's layout foundational structure.

Over the past year, The Judahite has worked from the spiritual blueprint. Some of the construction designs from the Old Tabernacle are incorporated into the new. For example, the numeric five was used extensively in the old Tabernacle construction.

- *And of His fullness we have all received, and grace for grace. For the law was given through Moses, but grace and truth came through Jesus Christ.*

### The Glass Shelf Equivalent to the Mercy Seat

The Glass Shelf is where we place ourselves to sort out or brush out the impurities from our hair. On the head's inside, we purge the Devil's negative thoughts. For our time, the glass Mercy Seat is all about positivity. What Jesus did is a template of optimism of which we are required to adopt on November 25.

- Heal the sick, bring the dead back to life, cleanse the lepers, cast out devils: You have received freely, freely give. Matt. 10:8

The new glass Mercy Seat uses the numeric value of 5, where  $5 * 5 = 25$ . Hence, November 25 has its own numeric value, yet consistent with biblical five of Grace.

The New Tabernacle, now in construction, will be three times greater than the former because it will be constructed internally for each person—a living tabernacle.

- *The Word became a human being and, full of grace and truth, lived among us. We saw his glory, the glory which he received as the Father's only Son. John 1:14*
- *Blessed is he whom thou hast chosen and taken to thee: he shall dwell in thy courts. We shall be filled with the good things of thy house; holy is thy temple. Psalms 65:4*

## November 2022

M	T	W	T	F	S	S
	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	31			

The Judahite received in October the calendar date November 3.

From November 3 through the 25, one should see the number 3 in rotation and three combinations in many other expressions of daily life, indicating what has been completed and expected consummations of processes. Numeric three is coded for pushing the calendar days toward the divine date 25th.

The Spirit confirms November 23 as a registered acknowledgment day with two aspects postponed ( $2 + 3 = 5$ ).

On the other hand, in another presentation, more to be said about the theology of Tabernacle and November 25. For now, the **essential**: the Holy Spirit has consecrated with 25% more of everything in the interest of Tabernacle. The 144k and Firstfruits will be beneficiaries of the increased abundance by 25%. Because: *Some of you are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God.*” 1 Corinthians 6:11  
Indeed, being sanctified is the precondition for being a green olive tree in Tabernacle.

- *Like a green olive tree in the house of God: I trust in the mercy of God for ever and ever. Psalm 52:8*

There should be a question of one's strength, appreciation of God, and gratitude after the 25<sup>th</sup> increases. People will see one's spiritual glow going forward. **Not** this year, but next year and onward, hair washing with a brush will become a customary practice on November 25.

Additionally, anointing the head with Extra Virgin Olive Oil after hair washing, a practice to maintain one's strength, appreciation of God, and gratitude of GRACE.

## HONEYSUCKLE PLANTS

Being a young boy in his preteens, The Judahite would often visit his Grandmother and sit on the front porch pulling stems from the Honeysuckle flowers to taste the honey. Often appearing on the fence by the Honeysuckle plants Geckos, they would stand and look for hours at the happenings on the porch.

### **After so many years!**

What a surprise; on the 9th, The Judahite turned to do something inside the bedroom, and when turning again within seconds, saw a Gecko in the hallway, appearing out of thin air and molting.

Considering the Gecko, **a.** a sign of regeneration (regrowing its tail), **b.** changing colors, adaptability to environmental circumstances, **c.** representing a recovery sign of those with an ailment within one's circle of friends, **d.** cleaning powers (ecdysis), **e.** symbolizes prosperity and fortune, and **f.** home protection.

**The Judahite focuses now on just one of the Gecko's representations, MONEY.**

- A. The Abrahamic assets stipulated under Covenant, now held under a surety bond, have been foreclosed on, claiming 27 trillion dollars.
- B. The Judahite has a personal claim against Europe's largest bank HSBC with assets of 2.9 trillion dollars.
- C. Also, The Judahite has a claim against an African State Bank.
  - A. **According to Jesus Soundwave25 Mission Statement**, 27 trillion dollars have been earmarked for constructing the Commonwealth of Israel. Arriving at 27 trillion dollars is determined by two stages. First, 27 million dollars came from a litigated settlement engendered by Naphtali's Announcement Procedures for introducing Soundwave25's Mission Statement.

George Floyd's family received 27 million dollars as a culmination of a civil proceeding. The Judahite has always stressed the underpinning of the settlement is directly attributed to the Naphtali young lady, for without her video, no one would have heard of George Floyd, and he would never have made national news.

The Naphtali young lady did what tribal members of Naphtali do. They announce; therefore, she is included in the overall determinant.

The Judahite spearheaded Yahua's Mission Statement. He cultivated the location decades ago to determine the contribution amount owed to the Abrahamic Covenant. Based on Soundwave25 that put things into motion, The Judahite set 27 trillion dollars as the Trust Fund amount, which is now established. Though it is a priority task, the distribution administration has yet to be organized.

- B. The Judahite has a claim against Europe's largest bank HSBC.
- C. An African State Bank.

### **The Gecko came with practical instructions.**

What is important is that the Gecko ritualized his instructions with specificity. For example, the bags holding the court cases proceedings were singled out for definitive resolution, independent of man. All assets will be taken, not a penny will be left.
