

Milestone Dates

This presentation presents interactions with messengers for a better participatory understanding of the transitional process to fashion the Commonwealth of Israel. Each day has been certified, knowing we can put complete trust in the contextual Bible's numbers.

Executive Body of Israel governance's programmed outline.

The directional transition is now in motion. The Executive Body of Israel walks and governs according to the outlined program. Some of the components have been discussed over the years. Still, the essential packaged core is in focus.

i.

Principally, the Commonwealth of Israel governance incorporates Judah's labor capital investment contributed to the social system of capitalism starting in the late A.D. 700 in capital's evolutionary stages, making a qualitative leap as seen in capital accumulation during the Triangular Trade, consisting of Africa, Europe, and South and Central America.

The Islamic caliphates constitute the essential missing historical puzzle. In the late A.D. 700s, the economic dynamics of history were centered in Asia Minor and among the Islamic caliphates, not in Europe.

As a quantum leap forward, capital rendered all other social systems weak yet strong enough to serve capital's interest. Capitalism has a two-staged evolutionary history. Its final stage came when President Andrew Jackson became the seventh president of the thirteen colonial states of America. He supported and assisted in planning the Texas Revolution in 1821, with opened military operations beginning in 1834. President Andrew Jackson is considered the father of imperialism.

Substantiating his biblical role, President Jackson conditional the regrowth of Nebuchadnezzar's imperialistic tree of prosperity when he forced all tribal nations to locate in Oklahoma under the Indian Removal Act. Oklahoma is the capital city of the Ten Tribes of Israel.

As a real estate developer, Jackson was motivated to take control of Texas in the interest of expanding slavery. Jackson came out of Tennessee, whose territorial borders touch eight states.

Jackson's fellow Tennesseans followed Jackson's constitutional view of America as his legal practice of treaty writing structured the imperialistic techniques for incorporating all the lands that made up the continental borders of the United States of America. At the time of Jackson's presidency, thirteen colonial states existed.

Incorporating Texas into the union was the brainchild of Jackson. Ideologically, Texans view themselves as a pending breakaway state from the United States when the time is right. Texans are proud of their history. Indeed, Texas represented the touchstone for conquering the western grounds East of the Mississippi. After 1865, military campaigns cleared the lands of the remaining Ten Tribes, thus, opening the West to white settlers.

The Ten Tribes of Israel were forced to live within social restrictions called reservations, and their lands were confiscated, driven by commercial speculation. Jackson introduced Judah to Texas as an enslaved people, and Texas became the economic gateway for western states and international trade.

Concurrently, prophetic history puts Judah on the same timeline continuum as the Middle East oil kingdoms. Consider in A.D. 700, Judah's slavery conditioned the harmonics of Texas and the Middle East oil industry, giving rise to the Petrodollar.

In sum, tribal Judah, Texas oil, and the Middle East oil fashioned the spearhead of imperialism.

According to Archangel Michael's instructions, Nebuchadnezzar's tree of economic prosperity was cut down to the trunk and would regrow under after seven prophetic years. In translation, the seventh President of America, Jackson, would mark when the global tree of economic prosperity starts regrowing branches and leaves, thus harmonizing with Nebuchadnezzar's seven years downfall. He lived like a wild eagle-man yet ate grass like a buffalo.

Yes, Nebuchadnezzar lived in that state of existence for seven years. **Look.** Years ago, The Judahite was given to see before his eyes an inorganic material instantly took on a head and feet, walked around his desk and re-converted into its original state as an index to Nebuchadnezzar.

Additionally, according to Isaiah, the Ten Tribes had to be in Oklahoma, and Judah had to have finished building the U.S. Capitol for the entire Congregation to petition the government to ease the multitude of hardships during the sojourn years in North America.

From 1949 to 2022, China had seventy-three years to evolve imperialism to its final matured stage of evolution before the man-child's birth. Fascism is the mechanism that contributes to the growth of Imperialism.

The face of imperialism is corporatism, "*the control of a state or organization by large interest groups.*" Oxford dictionary.

Before the rise of China's character of imperialism, Europe had formed its own character of imperialism. Thus, imperialism is a politically designed system of mental suppression, causing spiritual depravity to multiply, as seen today.

The Executive Body of Israel's policies reverses the prime conditions that induce spiritual depravity.

ii.

The Executive Body of Israel now claims an 80% return on investment from Jacob's tithing-blessings, which expired in 2020.

Without any pre-illusions, the Executive Body of Israel knows national governments will not willingly give the rightful return on investment, and such is the reason for executing God's wrath. Assigned nations must drink from wine the cup. The Judahite takes the wine cup from Jeremiah's Seventy-year prophecy and now passes the cup to the intended countries under a dual prophecy.

The consuming fire of judgment weakens all governments in opposition to the Executive Body of Israel's mandate.

- *"See, today I've appointed you to prophesy about nations and kingdoms, to pull up and tear down, to destroy and overthrow, to build and to plant." Jeremiah 1:10*

The Commonwealth of Israel uses the kitchen as a metaphor to understand policy instruments better. As exhibited, all the kitchen utensils represent instruments available to fashion an anti-Gentile economic system, in motion and simultaneously translating valuable parts of the old into the Commonwealth and discarding the useable wrongs.

iii.

As written over the past year and illustrated, The Judahite's kitchen pantry supernatural shelves collapse at different times, representing the procedural stage in Jeremiah 24:6. Look:

- *"For I will set mine eyes upon them for good, and I will bring them again to this land: and I will build them, and not pull them down; and I will plant them, and not pluck them up."*
Jeremiah 24:6

iv.

The dishcloth represents the cleaning codes to prevent contamination of the Assemblage's wholesomeness during replanting. After settlement in the Lands of Promise, the Assemblage Code Agreement becomes fully operational.

v.

On February 10th, The Judahite agreed on behalf of the Congregation to constitutionalize the

circumcised heart as noted in the Pledging Responsibility to the now Beginning Era.

The Judahite, on February 10th, announced the satisfaction of Deuteronomy 30:6

- *The LORD your God will also cleanse your heart and the hearts of your descendants so that you may love him with all your mind and being and so that you may live. Deut. 30:6*

Celebrating New Beginnings.

Congratulation to all who are now regrowing their head-hair and beard as the signs of not harboring iniquity. For those who don't wear a beard, nothing changes.

However, the Pledge carries the condition of regularly cutting one's head hair and beard proportionally to one's style.

vi.

As a two-part celebration, the foes of Israel and Judah will go down.

- *For thus saith the LORD God of Israel unto me; Take the wine cup of this fury at my hand, and cause all the nations, to whom I send thee, to drink it. Jeremiah 25:15-27*
- *And send them to the king of Edom, and to the king of Moab, and to the king of the Ammonites, and to the king of Tyrus, and to the king of Zidon, by the hand of the messengers which come to Jerusalem unto Zedekiah king of Judah. Jeremiah 27:3*

As a dual prophecy, all the above-named parties fell according to the LORD's decree.

Transitioning into the second phase of prophecy, Isaiah, Ezekiel, Jeremiah, and other servants of the Elohim tell of the final removal when the returning exiles reclaim their Lands of Promise.

The Judahite is preparing for the second celebration as the final removal is now in motion.

vii.

Deuteronomy 30:6-9 predetermines the doctrinal guidance for the returning exiles to advance the Commonwealth's productivity.

Viii.

Overall, the new covenant ratified on May 27, 2021, and approved on May 29, 2021, constitute the pillar under which operational governance becomes coherent in public policies.

February 13th

The order of sequential purpose.

February 11th received from February 10th the correct placement arrangements of the **NEW**. Next, February 11 asserts a new **paradigm**. Look at the outline: the new-bottle-detergent supernaturally fell into the red dish pan. Next, three essential, non-disclosed items enveloped the day fashioning the new paradigm on the 11th.

February 12th discloses interactive, eventful Certified Executive Body of Israel governance's programmed outline, manifested thrust of sovereignty. SEE above.

February 13 came as a day on which the line was drawn to separate the voices of cohesion from those advocating fragmentation. The 13th solidified the voice of cohesion in one unified consent.

*"Then I will restore to the people a pure language, that they may all call upon the name of the LORD (not to other gods), to serve him with one **consent**, a united will."*
Zephaniah 3:9

Israel and Judah should be motivated to embody the new paradigm:

- a) *If the Ethiopian can change his skin, or the leopard his spots: you may also do well, when you have learned evil.* Jeremiah 13:23
- b) **Currently**, the Ten Tribes have no need to look back on their transgressions against the Elohim. He has taken away their pride, "no more be haughty because of my holy mountain (**Zion**)."
Zeph. 3:11
- c) Starting with a clean slate as of this day and hour, "The remnant of Israel shall not do iniquity, nor speak lies, neither shall a deceitful tongue be found in their mouth: for they shall feed and lie down, and none shall make them afraid."
Zeph. 3:14

Consider the condition for Your clean slate.

While valid, the iniquities of Israel and Judah have been removed from God's sight, another milestone in congregational history. The underlining spirit of this statutory code rests on the faith that the Congregation will never again be judged collectively. As noted in Jeremiah's Seventy-year prophecy, an individual caught falsifying the Holy Spirit's imprint has the right to deal with the accusing person on the spot.

Consider the historical pattern. First, the Ten tribes find appealing aspects in the Gentiles' lifestyle and, over time, imitate the anti-Ten Commandments' moral law that goes far beyond the Gentiles' reprehensible behavior. Finally, Judah adopts the Ten Tribes' spiritual depravity to the degree that it is even embarrassing to the Gentiles.

Tribal Dan and the Gentiles have employed the sinful template time and time again against the Congregation. Look at the current era of society worldwide and see living proof.

The Commonwealth of Israel allows the returning exiles to access the modified Levite template. History shows that someone in the Levite tribe has always possessed discernment to see the actual profile of spiritual wickedness and acted. Look at what the Levite and Simone did to the city of Shechem and Hamor in response to the sexual assault against their sister. Additionally, The Levites led the charge to kill thousands who took the position against Moses by continuing to worship the Golden Calf. Consider the case of Mattathias Maccabees. He killed the Greek representative to convert Judea to Hellenism and to use the Temple for Zeus worshipping.

Never again to be ruled by the Gentiles' laws, the congregational members will act in real-time through spiritual discernment to avert the accumulation of sin from gaining the upper hand as the condition for collective punishment.

Whereas Yeshua has removed the Congregation's iniquity, individuals can still return to the old and relive yesterday. However, if the Ten Tribes miss the reprobation, Judah, for sure, will catch it and bring about a quick end.

The Invigorating Proclamation

✚ “Give praise, O daughter of Zion (*Judah*); shout, O Israel (*Ten Tribes*) be glad and rejoice with all thy heart, O daughter of Jerusalem, (*Israelites living in Jerusalem*).” Zeph. 3:14

The LORD has removed the judgment against you, he has turned away your enemies; The King of Israel, the LORD, is in your midst, you have no further misfortune to fear.

Illustrated
A unified voice having one consent

Late at night on the thirteen, The Judahite took two different sips of tea. So enjoyable, another swallow filled his mouth when the windpipe closed. Choking violently for air, reaching the point of passing out, or even worse, The Judahite saw an appearing messenger by the opened Bible to Zephaniah 3:3-20 with 3:9 highlighted. What an illustration from Archangel Raphael.

Thirteen solidifies the actual voices in the new paradigm.

On the other hand, non-solidified voices will be left to block airflow to their lungs, choking for air.

Biblical thirteen teaches the purpose of one consent.

**With the current state of electronic technology,
We live in an ocean of diverse views compared to the number of fish.**

Gabriel spoke to Daniel about the end time regarding the current state of technology, where knowledge would increase exponentially through interchange forms. Still, nothing would change in the affairs of wickedness. Those who are wicked will continue to do wickedly.

Being on the same page

Easier said than done. Historically, there have always been conflicts within the church over doctrinal practices, Scriptural interpretations, and applications. Never-ending congregations are formed and fall apart, only to start again as subsets. The pattern repeats.

On Pentecost Sunday, the Holy Spirit appeared over the heads of the disciplines in the shape of tongues of Fire. This gift allows communication in one-to-many languages. The Apostles were in one accord. Over three thousand people understood and acted on the good news of redemption. No one had to ask what he said or meant.

- *“Then I will restore to the people a pure language, that they may all call upon the name of the LORD (*not to other gods*), to serve him with one **consent**, a united will.” Zephaniah 3:9*

“With one **consent**, a united will” is only possible with the removal of iniquity. Then, a dedicated “pure language” is assigned to spiritualize the agenda for the Congregation to assert a united will in the formation of the Commonwealth of Israel. The Tower of Babel had to stop because of non-communication or miss-communications.

When constructing Tabernacle, Elohim assigned the design work to Judah and Dan. When God led the Israelites out of Egypt, he selected Moses, who had Aaron as his right hand. Before the Congregation crossed over Jordan, Joshua was chosen to lead.

Throughout the Congregation’s history, the LORD selects individuals to act on the Scriptures. Yeshua is a prime example. He came to fulfill the Scriptures. He was consistent in his ministry and never said Daniel meant to say this or that.

Now consider like all other historical periods, diverse opinions will be expressed daily. Still, the motive force or agent of history has and will continue to sweep aside those with views about the future without being grounded in the correct historical conditions, out of which arise the motive force of history at each particular stage of the Gentiles’ four social systems given by Daniel.

Yeshua is not an author of confusion. Why would he tell one person to contradict another to fashion his glory?

The transitional period will continue to be guided by the Elohim, in whose name his servant act as the Executive Body of Israel.

February 14th

Biblical Fourteen arrived as a qualified declaratory judgment, denoting the hour of deliverance—transitioning.

On February 14th, The Judahite’s Bible supernaturally turned to pages Zephaniah 1:5 through page 3:5

The Judahite will start issuing ultimatums of conquest and give additional information about relocating this week.

- And now, behold, I go unto my people: come *therefore, and* I will advertise thee what this people shall do to thy people in the latter days. Numbers 24:14
