

Yeshua Restatement Elijah's Court Order Contributes to Reformatting The New Covenant.

Introduction

Common to each returning exilic period, the LORD mandates standard practices in captive countries discarded, belonging to the popular culture. It took the Israelites forty years in the wilderness to birth a nation with constitutional, theocratic laws, and as such, the Israelites possessed a nationalistic identity. After forty years in the wilderness, the adults in the Exodus died out except Joshua and Caleb, giving the new generation freedom from Egyptian baggage.

Like the Egyptian Exodus that led the Israelites to the Promised Land, the Babylonian exiles upon returning to Judea followed prescribed guidelines. Nehemiah imposed a very stringent policy on the Levites' lifestyle because of their inclination toward multi-culturalism. Ezra, too, actively participated in fashioning the new criteria for those to advance the reconstruction efforts. Finally, Haggi and Zachariah were called to inspire the Temple's reconstruction as fast as possible despite hostilities from neighboring nations that made attempts to sabotage construction efforts.

The Israelites differ from other nations because the LORD's Temple is central to daily life. The Temple represents the Israelites' national identity. For example, the Judeans were always hungry, not having enough food, for decades until they completed the Temple.

A Dual Prophecy

Speak to Zerubbabel, governor of Judah, saying: 'I will shake heaven and earth. I will overthrow the throne of kingdoms; I will destroy the strength of the Gentile kingdoms. I will overthrow the chariots And those who ride in them; The horses and their riders shall come down, Every one by the sword of his brother.

I will overthrow the throne of kingdoms; I will destroy the strength of the Gentile kingdoms. I will overthrow the chariots And those who ride in them; The horses and their riders shall come down, Every one by the sword of his brother.

In that day, saith the LORD of hosts, will I take thee, O Zerubbabel, my servant, the son of Shealtiel, saith the LORD, and will make thee as a signet: for I have chosen thee, saith the LORD of hosts. Haggi 2:21-23

For our times, the LORD is designating this transitional period for establishing social guidelines of interaction, new commemorative days of celebration, and enriching elemental contents in the feast of Tabernacle, which is the perpetual Feast, including the Israelites and all nations. Yes, all nations will come to Jerusalem to worship, as the basis being Haggi 2:21-23.

Today, we follow the same outlined process of previous exilic returns to the Holy Land with adjusting variations due to the appointed Feast Days fulfilment. We have the makings of a New Covenant, including the Commonwealth of Israel in Exile.

The current war in the Middle East serves as the semi-back backdrop of this presentation because the prophetic war is front and center of the world's attention, as the effects are causing commercial trade shipping delays.

With each passing week, WWIII is outlining all the participants' motives for advancing the war.

From December 19 to 23, 2023,

The Judahite interacted with Angel Raphael to Restate the codes in Elijah's Template and to validate the Feast of reDedication and the Festival of Lights on December 25, 2023.

In this presentational episode, The Judahite was taken back to the conceptual basis of the Magistrate's ruling at Mt. Horeb where Elijah delivered his Complaint before the Second Heaven Magistrate.

The Judahite often refers to the interaction between the earthly Magistrate and the Second Heaven Magistrate. The Judahite is not the first servant of the LORD who has appeared before the Second Heaven. Adam, Eve, and the Serpent were the first, followed by others. Moses appeared and later in time Elijah, Daniel, and others.

Like Moses, Elijah appeared before the Second Heaven in the same location.

The Magistrate Court of the Second Heaven.

For those who have not appeared before the Courts of Heaven, understandably, one cannot comprehend the comic dimension of the heavenly Courts. Consider what is and what is not the non-location of the Magistrate Court of Heaven. Elijah walked 40 days to reach the Court.

Elohim introduced Elijah to the Magistrate Court of Heaven by instructing Elijah to "go out and stand on the mountain before the LORD." The LORD uses natural weather systems to synchronize time for Elijah to know he stood in the Court of Heaven; additionally, the LORD uses supernatural means for opening the legal proceeding.

- And behold, the **LORD** passed by, and a great and strong wind tore into the mountains and broke the rocks in pieces before the **LORD**, *but* the **LORD** *was* not in the wind; and after the wind an earthquake, *but* the **LORD** *was* not in the earthquake; and after the earthquake a fire, *but* the **LORD** *was* not in the fire; and after the fire a still small voice.
- So it was, when Elijah heard *it*, that he wrapped his face in his mantle and went out and stood in the entrance of the cave. Suddenly a voice *came* to him, and said, “What are you doing here, Elijah?”

Factually, the Second Heaven is only operational in real-time that allows the cosmic dimension to open during interactivity. Such is the protocol. Again, the heavenly courts are interdimensional. Gabriel told Daniel that he was detailed for twenty-one days in the Second Heaven in a legal proceeding instigated by the principality over Babylon to answer Satan’s complaint.

As humans, we cannot comprehend many things about the spiritual realities of our world. But for the most advanced in Israel and Judah, the comic interdimensional world is real. The Judahite sees regularly interdimensional realities. Consider Apostle Philip and the Ethiopia eunuch, Philip was transported to a different location after he baptized the eunuch. Apostle Paul expressed his ambivalence not sure if he was dreaming or physically on location in the comic dimensions of heaven. The three Judahites placed in Nebuchadnezzar’s fiery furnace is another example of convoking the Court of Heaven against the Chaldeans’ conspiratorial injustice.

Another instance of the comic dimension of the Second Seven is when over a hundred people were trapped inside a cave and the Seleucid’s army stuffed it with wood and burned them alive. The sacrificed made sure their death validated the stipulation in Elijah’s Court Order. The Court appointed **Apphus**, (an encryption code) given specifically to the Maccabees to move from a position of defense to aggressive offense to defeat the Greeks.

The Wailing Wall in Jerusalem is symbolically the Second Heaven Court House of justice, for the Wailing Wall was part of Antiochus’ fort, having operations over Judea. Thus, the atrocities of war were within the parameter of the Fort where the sacrificed submitted their **Judicial Notice** before the Magistrate while being roasted alive.

Apphus is a divine encrypted code holding the bodacious fire of Elijah.

The Court House of Justice has a tie-in with,

- a.) “And I saw three unclean spirits like frogs *coming* out of the mouth of the dragon, out of the mouth of the beast, and out of the mouth of the false prophet.” Revelation 16:13
- b.) Judah/The Judahite’s prophetic jurisdictional presence marked Jeremiah’s Seventy Years prophecy, inclusive of Apphus, the divine code assigned to The Judahite. The Maccabees and The Judahite’s encryption code emerged in 2018, opening the final phase in Elijah’s Court Order, inclusive of Ezekiel’s vision of the man with the inkhorn or ink pen and those with the mark on their forehead.

Elijah

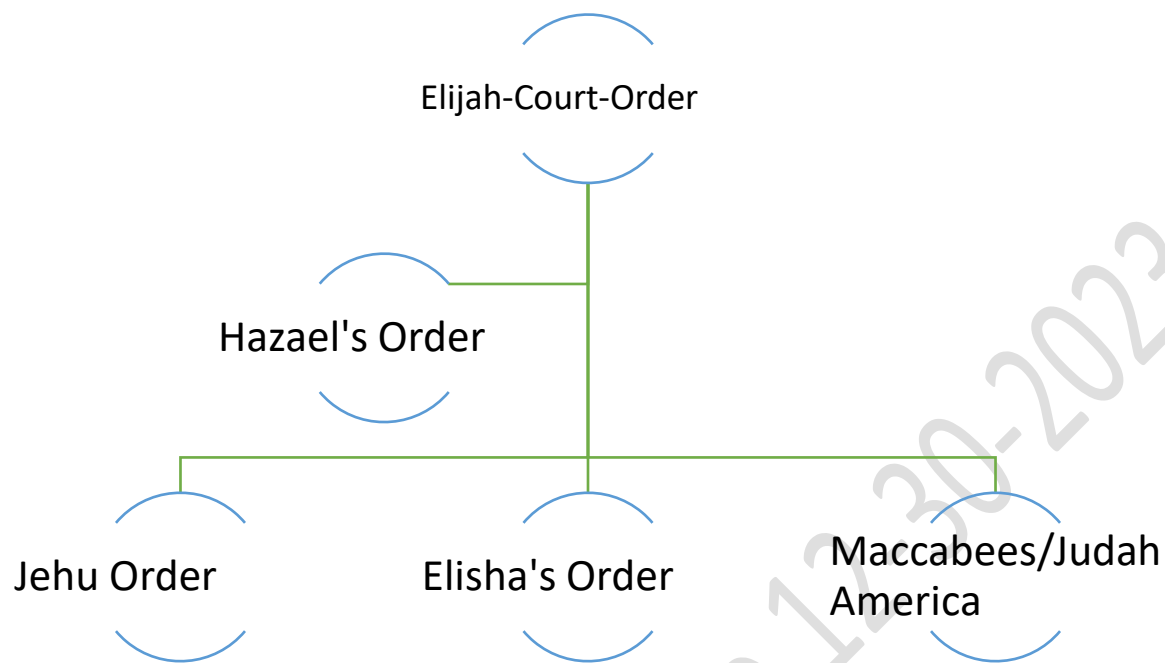

The Children of Israel broke the Mt. Sinia Covenant. Under the New Testament, Yeshua's Grace tempers the Law of Moses, allowing Law violators to seek forgiveness in Christ's name.

After Elijah walked forty days without food and water to Mt. Horeb, Elijah appeared before the Magistrate Court of Heaven on the Complaint that Israel had broken the Mt. Sinia Covenant by willfully killing the LORD's prophets, and he alone stood confrontationally against idol worshipping and anti-Mosaic Law.

- *And he said, I have been very jealous for the LORD, the God of hosts; for the children of Israel have forsaken thy covenant, thrown down thine altars, and slain thy prophets with the sword; and I, even I only, am left; and they seek my life, to take it away. 1 kings 19:14*

The Court Order:

- Then the LORD said to him: "Go, return on your way to the Wilderness of Damascus; and when you arrive, anoint Hazael as king over Syria. 1 Kings 19:15
- Also, you shall anoint Jehu the son of Nimshi as king over Israel. And Elisha the son of Shaphat of Abel Meholah you shall anoint as prophet in your place. 1 kings 19:16
- It shall be *that* whoever escapes the sword of Hazael, Jehu will kill; and whoever escapes the sword of Jehu, Elisha will kill. 1 Kings 19:17
- Yet I have reserved seven thousand in Israel, all whose knees have not bowed to Baal, and every mouth that has not kissed him."

Elisha

Requested Elijah to give him a double-spirit-weight from which to issue Declaratory Judgment against injustice and godliness throughout the end times.

Elijah lived a bodacious life, always substantiated his weight of measure against the Israelites' practices of injustices and ungodly behavior, as they were led to follow idol gods.

A few episodes in fashioning Elijah's Template and the use of his Template:

- a.) Elijah certified his standing before the Court of Heaven. "If I be a man of God, let fire come down from heaven, and consume thee and thy fifty. And there came down fire from heaven and consumed him and his fifty." King Ahaziah sent another captain and fifty soldiers, and the same thing happened. A third time, the King of Judah sent a captain and fifty servants to request Elijah to come down, but the captain did not repeat the king's request instead he begged for his life and those of his fifty servants. 2 King 1:10-13. In all one hundred and two me died to offset the King's sin without any value.

- a. At Mt. Carmel, the priests of Baal failed to prove their claim to possess supernatural powers. After their contest failure, Elijah took his term and proved his standing as a servant of the LORD, as the people were vacillating between Baal and the God of Israel. The LORD supernaturally accepted Elijah's offering and ended the three and half years' famine. The people of Israel fell and worshipped their God of Israel.
- b. And Elijah said to them, "Seize the prophets of Baal! Do not let one of them escape!" So, they seized them; and Elijah brought them down to the Brook Kishon and executed them there.
And Elijah said to them, "Seize the prophets of Baal! Do not let one of them escape!" So, they seized them; and Elijah brought them down to the Brook Kishon and executed them there. 1 Kings 18:40. 450 prophets of Baal and 400 priests of Asherah in all 850 killed. Justified because they killed the LORD's servants and prophets.
- c. Elijah and the widow of Zarephath. The LORD commissioned Elijah to go to Zarephath during the three and half years of famine. During this period, the meal and oil were never depleted. The widow's son died during Elijah's stay.
- d. Elijah took the dead body—cold—from the mothers' arms and went to his upper room where he was staying and laid him on his own bed. Then he cried out to the LORD and said, "O LORD my God, have You also brought tragedy on the widow with whom I lodge, by killing her son?" He stretched himself out on the child three times, and cried out to the LORD and said, 'O LORD my God, I pray, let this child's soul come back and to him.'" 1 Kings 17:17-24

In a mini summary, Elijah's ministry fashioned a template for Elisha to follow. In the larger picture, Elijah gives a graphic illustration of his ministry as John the Baptizer. Through the hope to the Gentiles who have faith in the LORD God by repenting and becoming baptized. The non-Israelite woman of Zarephath is an example. On the other hand, Jezebell of Phoenician came into Israel with her false deities and priests and oppose Elohim.

Elijah returned to the Earth as John the Baptizer to give to all the bodacious fire of baptism to testify of God's glory in their opposition to Baal and deities of all cultures.

Elisha Receives a double portion of Elijah's Spirit

And so it was, when they had crossed over, that Elijah said to Elisha, "Ask! What may I do for you, before I am taken away from you?" Elisha said, "Please let a double portion of your spirit be upon me." And so it was, when they had crossed over, Elijah said to Elisha, "Ask! What may I do for you, before I am taken away from you?" Elisha said, "Please let a double portion of your spirit be upon me."

1 Kings 2:9

7

Elisha requested and received a double-spirit-weight for which to measure injustice and issue Declaratory Judgment, and on the other hand, to ensure perpetual oil and meal to those who have demonstrated their trust in the LORD God during seasons of famine.

- Then Elisha spoke to the woman whose son he had restored to life, saying, "Arise and go, you and your household, and stay wherever you can; for the LORD has called for a famine, and furthermore, it will come upon the land for seven years." 2 Kings 8:1

Elijah's Court Ruling Stipulates those dedicated to the Mt. Sinia's Covenant will never bow to Idolatry.

Ezekiel prophecy intersect with Elisha's ministry, substantiating the stipulation. The turning point, the Maccabees took a stand against those converted to the faith of the God of Israel, causing the civil war. Fighting on two fronts at the same time, the Maccabees against Antiochus IV's attempted conquest of Judea.

Had not Mathias Maccabee, the father, arisen to war against the weak Levites and including a tiny percentage of Edomites and the Pharisees, Hellenism would have absorbed the Judeans' religious culture of Hellenism; cultural annihilation was at stake.

Hellenism objectives: 1) to remove the Sabbath; 2) to end circumcision; 3) institutionalizing public nudity in sports; 4) substituting or giving an alternative to the Holy of holies by sacrificing swine/hog through the worshipping of Zeus; 5) burning all literature on the Torah and prohibited reading the Torah, as related to the Ten Commandments. Hellenism as a precept is anti-Ten Commandments.

Antiochus IV, the Seleucid ruler, aimed to Hellenize Judea into paganism. Elisha foretells Antiochus IV's inhuman cruelty toward the Israelites. **The Wailing Wall in Jerusalem is what remains of the Seleucid's** fort, as the soldiers would leave the fort and kill many Israelites who refused Hellenization. The people refused to give up Sabbath worship.

After destroying the national religion, Antiochus IV knew people would follow Zeus. In his atrocities, he conditioned the civil war among the traitorous Judeans on the one hand; on the other, war between Judea and his Seleucid Empire.

Hellenism is an anti-Ten Commandments precept philosophy.

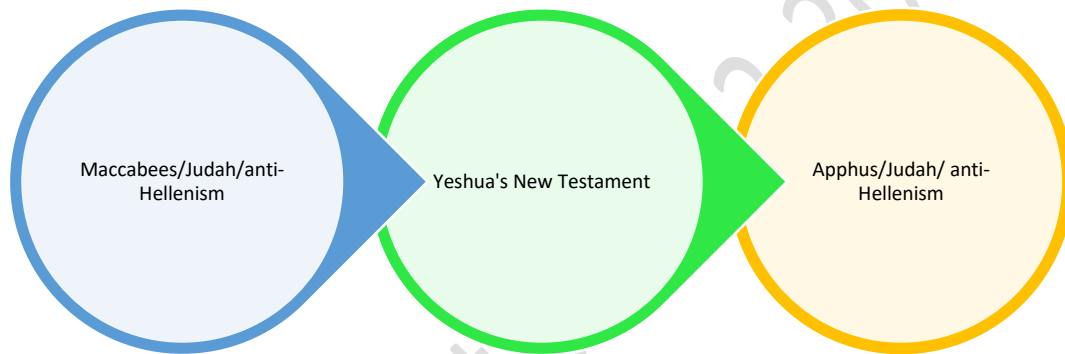

The Maccabees or the Hasmonean dynasty succeeded in its historical mission never to allow Hellenism to take root in Judea. Because of their commitment, **full accreditation is given to the Hasmonean dynasty for its diplomatic architectural skills in forming treaties with Rome**, an emerging empire, to contain the Grecian empires, the Egyptians and the Seleucids. And in so doing, the monarch as an ally of Rome defined its future. The Romans accepted instructions from the Hasmonean on the most effective way to defeat the Seleucid dynasty, and the other Grecian kingdoms.

December

We celebrate the feast of Dedication/Re-dedication and the Festival of Lights.

After the Maccabees defeated Antiochus IV armed forces, they went into the Temple after years of war to clean up and became horrified to see the statue of Zeus. Having a one day' supply of oil for the Temple's menorah, the oil lasted eight days until a fresh supply arrived. Yeshua observed the feast of Dedication.

The Hallmark of Elijah's Template is for those who have been assigned the gifts to ensure the perpetual flow of oil and meal during times of famines. And to revive lifeless bodies physically and spiritually.

Elijah fashioned a template for Elisha to follow, a template to engender (A) a perpetual supply of oil and meal during wilderness days and/or famine (B), revived life in lifeless bodies and the renewal of faith in the faithless. (C) punishment by death to those who are sworn enemies of the LORD's statutes, ordinances, and judgments.

Yeshua acknowledged the use of the principles embedded in Elijah's template under the right circumstances. As such, Yeshua miraculously feed 5000 people with five loaves and two fishes to glorify God the Father and to certify Elijah's ministerial work.

- *Now those who had eaten were about five thousand men, besides women and children. Matthew 14:21*

Yeshua miraculously fed 4000 people with seven loads of bread and a few small fish to glorify God the Father and to certify Elisha ministerial work and his seven years famine.

- *The number of men who ate was four thousand, not counting the women and children. Matthew 15:38*

Attention focuses on C

(C) punishment by death to those who are sworn enemies of the LORD's statutes, ordinances, and judgments.

Elisha followed Elijah's Court Order and audaciously delivered denunciations of ungodly behavior and enemies of Israel in fiery words.

- 1) Elijah had the priests of Baal and Asherah put to death.
- 2) The boys of the dead priests mocked Elisha. "Go up, go up, baldhead" looking at the forty-two boys, Elisha cursed them in the name of the LORD and forty-two female bears came out of woods and mauled the boys. 2 Kings 2:24
- 3) The Syrian Army surrounded Elisha's house to capture him and take him to Syria. Elisha prayed to God petitioning him to blind the army. Immediately, blindness closed their eyes. Next, he led the army to the city of Samaira about fifteen miles away.
- 4) In 2 Kings 13:14, Jehoash king of Israel came to Elisha, dying from a sickness, seeking advice on how to defeat Syrian. a.) take arrows out, b.) Put your hand on the bow" and Elisha put his hands on the king's hands, c.) open the east window and shoot, d.) "And he said, 'The arrow of the LORD's deliverance and the arrow of deliverance from Syria; for you must strike the Syrians at Aphek till you have destroyed *them*'; e.) next, said Elisha, take the arrows and strike the ground, the King did so three times and stopped; f.) Yet, Elisha wanted him to continue striking the ground five or six times, g.) Thus, the king would win victory three times.
- 5) Elisha died. A sign that the court order is transgenerational. Years after Elisha's death, a person died and being taken to his tomb when the pallbearers saw a group of Moabites from a distance, out of fear, they found an unnamed grave and put the man into the tomb to make a quick escape. The dead man's hand touched Elisha's bones, and he was restored to life per Elijah's Template. He got up and ran away with the others.

- *It shall be that whoever escapes the sword of Hazael, Jehu will kill; and whoever escapes the sword of Jehu, Elisha will kill. 1 Kings 19:17*

Elisha's prophetic mission is assigned to particular personalities at different historical periods and in their seasons to revitalize the Court Order.
determined to act in their seasons.

When the dead man's hand touched Elisha's bones immediately, the Spirit within Elisha's template restored his life, an affirmative sign of Elisha's transgenerational Mission. Picking up their Mission, the Maccabees appeared as a milestone from which specific futuristic persons would continue extrapolating their time-phased action within the Court Order.

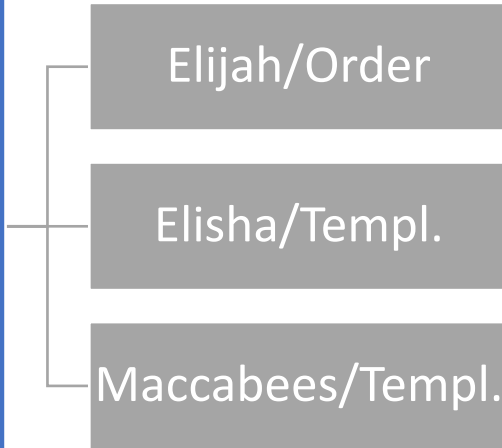

Jesus appeared as the ordering Magistrate in the Restatement of Elijah's Order carries spiritual vitality throughout the Church Age. Conversely, after centuries of being in the wilderness, the Israelites prepare to return to the Promised Land under Christ's **Restatement Order**.

The Spirit led Jesus into the wilderness to be tempted by the devil. He asked Jesus to bow down to worship him in exchange for possessing all the future earthly kingdoms. The proposition came during Jesus' forty days of fasting. A spiritual triumph! Jesus teaches never to be enticed by worldly motivation because Satan's temptations always lead to no profitable outcomes.

Jesus validated his own Order by not bowing to worldly temptations.

Jesus issued the Order and lived by the Order, not to be tempted by any offers made by the devil.

Jeshua/archetype

**Yeshua Illustrated the true purpose of the
Feast of Dedication and Festival of Lights.**

John 10:22 Gives a Background

“Now it was the Feast of Dedication in Jerusalem, and it was winter. And Jesus walked in the temple, in Solomon’s porch.”

On December 19, the estimated year A.D. 32 CE
Jesus Issued his Judicial Notice:
(The Courts of Heaven are Congiizant of Adam's descendants DNA having eternal life.)

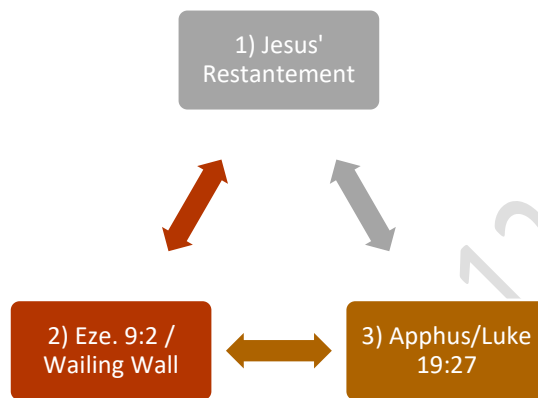

John 10: 24-38

^{10:24} Then came the Jews round about him, and said unto him, how long dost thou make us to doubt? If thou be the Christ, tell us plainly.: ^{10:25} Jesus answered them, told you, and ye believed not: the works that I do in my Father's name, they bear witness of me. ^{10:26} But ye believe not, because ye are not of my sheep, as I said unto you. ^{10:27} My sheep hear my voice, and I know them, and they follow me: ^{10:28} And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. ^{10:29} My Father, which gave them me, is greater than all; and no man can pluck them out of my Father's hand. ^{10:30} I and my **Father** are one.

^{10:31} Then the Jews took up stones again to stone him. ^{10:32} Jesus answered them, many good works have I shewed you from my Father; for which of those works do ye stone me? ^{10:33} The Jews answered him, saying, for a good work we stone thee not; but for blasphemy; and because that thou, being a man, makes thyself God. ^{10:34} Jesus answered them, Is it not written in your law, I said, Ye are gods? ^{10:35} If he called them gods, unto whom the word of God came, and the scripture cannot be broken; ^{10:36} Say ye of him, whom the Father hath sanctified, and sent into the world, thou blasphemest; because I said, I am the Son of God? ^{10:37} If I do not the works of my Father, believe me not. ^{10:38} But if I do, though ye believe not me, believe the works: that ye may know, and believe, that the Father is in me, and I in him.

Christ's Restatement on Elijah's Court Order.

Elijah's Court Order unfolded developmentally in character with each historical period as foretold by Elisha, integrated in part by Ezekiel's vision of the forehead mark exempting those from sword of death. Prophecy can be relatively complex for some to understand because they view, in some instances prophecies as mechanical, like a repeat, without regards to the different levels of historical evolution.

Yeshua arrived as the central focus of human history as he said he would as the Redemer. Whereupon Christ delivered his **Restatement** on Elijah's Court Order and fulfilled specific topics foretold of him. Not to be confused, Yeshua's Mission Statement is not same as his jurisprudence **Restatement**.

Restatement Article One.

Elijah was a forerunner before Yeshua and again as John the Baptizer. As the upholder of the Mt. Sinia's Covenant, Elijah upheld the LAW of Moses. When he returned as John the Baptizer, he oriented his ministry as the introduction to Jesus and the New Testament. Hence, John places emphasis on (AA) faith in the Redeemer whose shoes he was worthy to lace, (BB) repentance, and (CC) receiving baptism (the water embodies the gift of Grace) (the Holy Spirit leads the baptized away from being a slave to the flesh to being the master over flesh).

- *For if you live according to the flesh you will die; but if by the Spirit you put to death the deeds of the body, you will live. For if you live according to the flesh you will die; but if by the Spirit you put to death the deeds of the body, you will live. Roman 8:13*

- *For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart. Hebrews 4:12*

Restatement Article Two.

According to the second part of the Edenic Judicial Decree, the Congregation, Adam's righteous bloodline descendants are currently immobilizing the Serpent's descendants. The LORD blessed Shem, Ham, and Japheth as the certification of Adam's righteous seeds. To avoid erroneous thinking, all three brothers have Serpent's DNA within their families. This fact explains why Jacob was selected to be of the pure DNA and to stand before the LORD.

All the servants and prophets of the LORD engage in conflict involving the Serpent's interest. Today, most people cannot determine if they represent Satan's interest or Jesus in their daily conduct. Electronic devices and social media allows people to go to the third degree in wickedness with the aim of growing diverse communities of wickedness to suit personal taste.

Having a keen sense of awareness, the Executive Body of Israel in Exile's policies support Jesus' parable in Luke 19:27

- But bring here those enemies of mine, who did not want me to reign over them, and slay *them* before me.' " Luke 19:27

Elijah's Template allows prophetic use of the sword against those standing in opposition to the Yeshua's theocratic Stone Kingdom.

Restatement Article Three.

Being in the wilderness for thousands of years (in Gentiles' nations), the LORD prepared food and water for Judah in North America by ending the seven years of famine before he arrived in chains, though the Ten Tribes were already in North America—three thousand years ago and moved to Central and South America.

The famine caused the death of many in colonial America. Still, the seven years famine was needed to turn the American colony over to the Asherite, who being King James, and the King James Version of the Bible. When he restructured a dead colony, King James created policies that caused his colony to grow and expand by following biblical guidelines on social morality.

Having Judah and the Ten Tribes of Israel as Jacob-tithing-blessing to the world, America always had a guarantee of oil, flour, and meal supplies. Due to Jacob-tithing-blessing that covers Daniel's economic tree of global prosperity, and Nat Turner's oil prototype extraction model, America fed and clothed the world.

Thanks to the Feast of Leaven Bread on November 30, 2023, Judah and the Ten Tribes have reached their stage of spiritual and economic maturity and no longer see the basis for extending the expired Jacob-tithing-blessing to the Gentiles on the same foundation given rise to their four social systems on the Earth.

As at the beginning of the nation so, at the end of its life cycle, climatic conditions are impacting food supplies and spiritual famine are now gripping America and Western countries.

Restatement Article Four.

In summation, the purpose and spiritual meaning of draughts invoked by the LORD's prophets, most notably Elijah and Elisha, no need to fear draughts because Yeshua is the perpetual well spring of living water, the fundamental source of all life forms on the Earth.

- "In the last day, that great *day* of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink. In the last day, that great *day* of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink." John 7:37
- But whoever drinks the water I give him will never thirst. Indeed, the water I give him will become in him a fount of water springing up to eternal life." John 4:14

The Feast of Tabernacle

December 25, 2023

Soon after arising from bed on December 25, 2023, The Judahite received an illustrative notice from Angel Raphael about what to expect sometimes in the day. It did not look to be good.

i.

Shortly after that, The Judahite received a reminder of a Xmas practice he used during Xmas in its rudimentary form, yet got an upgrade, moving to elevated levels.

“Wash me thoroughly from my iniquity and cleanse me from my sin.” Psalm 51:2

ii.

After Elohim’s Edenic Adjudication, Adam found joy and hope, knowing that the Redeemer would come and restore daily fellowship with him. Because of the Serpent’s deceit that led Eve to tempt Adam with the fruit, humans continuously acted on every imagination formed within their mind, leading to the entire world becoming corrupted, as the flood came as the consequence. John 1:9 gives divine insight about Jesus being the true light to draw people away from their iniquity and back to the true light, as Adam was first holy and knew through divine obedience the differences between good and evil.

Wash thy heart from wickedness, O Jerusalem, that thou mayst be saved: how long shall hurtful thoughts abide in thee? Jer 4:14

“This was the true light that enlightens every person by his coming into the world.” John 1:9

iii.

The Judahite views the incoming thematic as to what to expect as the December 25, 2023, unfolded.

- *For if you live according to the flesh, you shall die but if by the Spirit you mortify the deeds of the flesh, you shall live. Roman 8:13*

iv.

Finally, the thematic illustrations, emphasizing cleanliness—removing detestable things.

✓

“neither shall they defile themselves any more with their idols, nor with their detestable things, nor with any of their transgressions: but I will save them out of all their dwelling places, wherein they have sinned, and will cleanse them: so, shall they be my people, and I will be their God.” Ezekiel 37:23

✓

Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth. 2 Tim. 2:15

Keep away from profane and foolish discussions, which only drive people farther away from God. 2 Tim 2:16

At 3:57p.m. on December 25, 2023 The Electricity Phased Out to the Building.

No clouds in the sky on Christmas Day. Inside The Judahite's unit, the apartment unit entered a three-phased shutdown without weather-related causes. Electricity shutdown is typical for Angel Raphael, who possesses a repertoire of communication signs for The Judahite.

First, a loud booming sound came, followed by the heating system, the stove, and the refrigerator shutting down.

Secondly, the loud booming sound came, and the circuit hallway lights shut down.

Thirdly, the loud booming sound came, and the Internet shut down.

In all, it took thirty minutes to black out the unit.

The blackout lasted eight hours.

Eight

A prophetic hour equals one day. Hence, eight hours equals eight days. After defeating the Seleucid army, the Maccabees started to work on restoring the Temple with one day's oil supply.

2 Maccabees 10:4

"And they kept the eight days with gladness, as in the feast of the tabernacles, remembering that not long before they had held the feast of the tabernacles, when as they wandered in the mountains and dens like beasts."

Eight Hours of Darkness Equals Eight Days of Darkness

What a contrast, the celebration of darkness vs. light. Yet, what an irony, in darkness comes light.

Progressing, many Bible students understand the special meaning of seven, yet they are unclear about eight. Consider Nehemiah 8:18.

"Day after day, from the first day to the last, Ezra read from the Book of the Law of God. The Israelites kept the feast for seven days, and on the eighth day they held an assembly, according to the ordinance."

Whereas Hanukkah is about the miraculous celebration of one day's oil supply lasting eight days while cleaning the Temple. In contrast, December 25, 2023, offered no lighting for The Judahite's building. So, what is the meaning? The sign statement is about Christmas closure, the end.

From December 26 through the 30th, the period is considered the rectification days for Tabernacle's new date.

On December 30, 2023, The Feast of Tabernacle was Ratified as Christmas Replacement.

The principality who is over the social system of capitalism and imperialism, expressed his opposition to Tabernacle.

Returning from shopping, the bus picked up a passenger, as did many passengers, but this passenger appeared to possess an evil spirit. Upon sitting down, he began cursing Jesus. In the next phase, he stated a willingness to fight Jesus, and in the final phase he invoked Jesus to come down telling in a laced profanity what he would do to Jesus in a physical confrontational fight.

Throughout his diatribe, his language was laced with profanity. Everyone on the bus was paralyzed, speechless, not believing what they heard.

The Judahite heard the voice of the principality, giving The Judahite a message of death in confrontation with Jesus. Before two passengers, The Judahite rebuked the devil. It is The Judahite's sincere belief that everyone on the bus would have died except for three persons. The Judahite and two others. The demonic person, or the spirit controlling the person, told when and where the death would occur, though not the specifics. Factually, the guy did not know the specifics, but the demonic force, and so did The Judahite because it was encoded. Many on the bus found this guy amusing after the initial shock of cursing Jesus.

The Judahite cross-checked the portals through which beings enter the Earth from out of space. Enoch is another source of information to verify the pending deaths within minutes! Enoch allows for the coordinates to be known about the pending deaths.

Although generally known in theory, the devil has supernatural powers, though limited. Without speculating, the bus was scheduled for an accident, not necessarily the bus driver's fault. Consider the story of Job. Now, you can see that the devil has supernatural powers.

Where the accident was scheduled to occur within seven or eight minutes, the bus broke down. The passengers transferred to a different bus. The devil can never outplay God's plans. Yes, within seven or eight minutes, deaths would have occurred just as the principality had prearranged.

Christmas is now replaced. For the Congregation of Israel, December 25 will be the feast of Tabernacle!

(Will re-post tomorrow with table of contents)

draft new feast date 12-30-2023
