

## January 31 Summarizing January 31, 2023

January 31 brings us optimism, having the capacity to hold together personal relationships, tribal families, and the Commonwealth of Israel. The returning exiles will resurrect Israel under oath given to the biblical prophets.

The 31st affirms God's wine cup of wrath. Countries and people will be evaluated (sorted out) by prophetic shaking. The result (1) the horses of the apocalypse will create the right conditions to allow those to continue walking in the New Testament without offering a personal apology to popular culture and the reprobates. (2) The fire of judgment will judge according to Zechariah. (3) The system of imperialism will collapse into the framework of the Commonwealth and be consumed.

**Rounding out the day, the Angel arranged a reflective mirror  
for The Judahite.**

### Attestation

*"Just as I watched over them to uproot and tear down, to demolish, destroy, and bring disaster, so I will watch over them to build and to plant," declares the LORD." Jeremiah 31:28*

In the case of Jeremiah, so the LORD’s discourse with The Judahite.

Jeremiah

The Judahite

<p>Moreover, the word of the LORD came unto me, saying, Jeremiah, what seest thou? And I said, I see a rod of an almond tree. Jer.1:11</p> <p>Then said the LORD unto me, thou hast well seen for I watch over my word to perform it. Jer. 1:12</p>	<p>The messenger presented the same question to The Judahite.</p> <p>The Judahite understood the significance of the almond after the LORD acknowledged the cup of restoration green tea on the altar.</p>
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Almond means “wakeful.” How appropriate and timely after what might appear to be a sleepy winter. Still, the almond tree is the first to blossom in January.

*“And it came to pass on the morrow, that Moses went into the tent of the testimony; and, behold, the rod of Aaron for the house of Levi was budded, and put forth buds, and bloomed blossoms, and bare ripe almonds.”* Number 17:8

**Budded, put forth buds, bloomed blossoms, and raw ripe almonds.**

How is it possible to see a) a four-stage metamorphic process completed (ripe almonds) overnight? b) yet, see each of the four stages segmented progression.

Moses comes into the Tent and sees ripened almonds. Yes, an overnight miracle. For our time, the message is hast—commencing agenda implementation for relocating and constructing the Commonwealth, knowing that the almond represents God invested interest in his people's capacity to realize his plans.

### **The Judahite received another illustration about time's maturity for direct-action**

The Judahite received a cranberry, symbolizing rejuvenation, abundance, and direct-action.
