

UPDATES

September, October, and November Calendar Updates Received September 25, 2023.

September update was posted on Sept. 26, yesterday. In this September 27 post, all three months are included as they were collectively received on Sept. 25.

As said in previous calendar updates, past, current, and future calendar dates display the active dynamics of multidimensional processes wherein the old is dying, and the new is emerging and fighting on two fronts simultaneously against the forces of old who want to hang on to their once-secured societal positions. In objection, the newly occurring social elements are determined to live the promise to grow a new social system, the Stone Kingdom, with no space to share with the old.

Whereas it is unusual to receive calendar dates that have passed, calendar events do not appear and disappear in 24 hours, and such is a reason for bringing past dates into focus through UPDATES to amplify clarity about the biblical numbers.

Weeks ago, The Judahite discussed calendar dates August 23 and 24. Now, The Judahite repeats the use and purposes of biblical numbers.

Numeric 23 combines 20 (authoritative law) and 3 (divinity or providence).

- “From the thirteenth year of Josiah the son of Amon, king of Judah, even to this day, this *is* the twenty-third year in which the word of the LORD has come to me; and I have spoken to you, rising early and speaking, but you have not listened. Jeremiah 25:2
- But in the fourth generation, they shall come hither again: for the iniquity of the Amorites is not yet full. Genesis 15:16

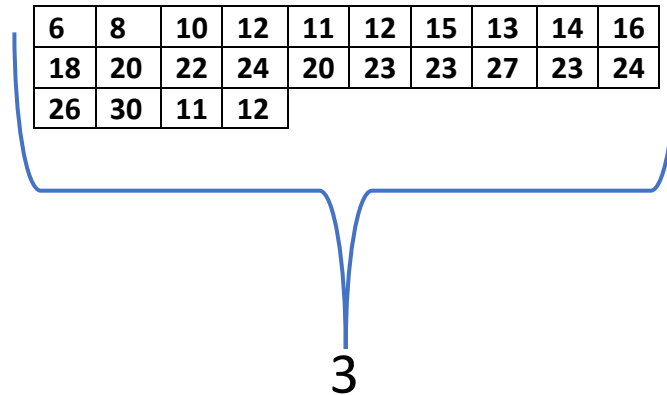

Numeric 24 is a combination of 12 +12, the meaning of completion. Also, the definition extends to situations considered doubly essential and an *ideal foundation*. Since biblical 12 means governance (12 tribes of Israel and 12 Apostles), 24’s significance is in governing predeterminer. Yet, even in the aftermath, renewal or resurrection follows an ideal foundation.

The Judahite suggests taking notes on calendar dates and events to understand better how biblical numbers are used in concrete situations instead of guessing. The calendar dates relate to judgments and rewards within the scope of the presentations. The past three presentations dealt with Ammonites, Moabites, and the Idumeans. The numbers are from the 2nd Heaven Court.
