

The signs in the heavens foretell what will materialize on the Earth

July hosts a few unresolved matters that arose years ago related to Jeremiah's Seventy-year prophecy, and the events of 2017, 2019, and 2020. Yet, we know July is the seventh month of the year, and the number seven is the number of a complete cycle, fulfillment, and completion of divine works. We look at seven as Scripturally based.

The sound of the Trumpet, marking the beginning of the appointed and acknowledged Feast of Trumpet by the Court of Heaven on July 1, carries immense significance. As we navigate through the calendar dates of July, August, and the rest of the year, each month should be viewed As a transitional period, never to be revisited. With their global impact, the prophetic events of 2024, are like doors opening and closing, guided by a force beyond our control.

As we approach the end of 2024, the solar eclipse of April 8, 2024, a significant event forgotten by many, is a stark reminder of the divine grip of prophecy. The nation has yet to experience the full effects of Solar X's judgmental decree. Still, as we continue our transitional journey, we will all be touched by the power and inevitability of prophecy.

The servants of the LORD will continue to be active participants where and when allowed in July and beyond.

Signs in the heavens

The moon must always come to mind when considering end-time prophecy. The moon serves as a time clock for prophetic seasons. Being gifted, the servants of the LORD God know the prophetic seasons and act in accordance.

Nat Turner, the Asherite, was given many celestial signs for his ministry, and he dutifully acted on the signs to guide his footsteps and those who would live in a new environment, the American Empire.

The Moon

What a technological wonder, an instrument that only Elohim can construct. Consider,

- a) The moon is hollow. A missile hit the moon, causing it to reverberate for over an hour.
- b) The moon has its own internal light source. Whereas the sun's rays hit the moon, the sun is not the primary source for the moon's phases.
- c) Based on the investigation, researchers have discovered that under certain conditions, the moon is transparent. Standing facing the moon, stars can be seen on the other side.
- d) Much scientific knowledge has yet to be learned about the moon and to be appreciated as one of God's wonders to the people of the Earth.

Isaiah gives additional insight into the moon's TIME-clock technology.

- *Moreover, the light of the moon shall be as the light of the sun, and the light of the sun shall be sevenfold on the day when the Lord shall heal the breach of his people and shall heal the pain of thy wound. Isaiah 30:26*

As a nugget, when we transfer to our new planetary home in glorified bodies, there will be no nights and a moon. We will have the power to speak things into existence.

Cosmological Doxology

Psalm 19

^{19:1} Unto the end. A psalm for David. The heavens shew forth the glory of God, and the firmament declares the work of his hands.

^{19:2} Day unto day utters speech, And night unto night reveals knowledge.

^{19:3} There are no speeches nor languages, where their voices are not heard.

^{19:4} Their line is gone out through all the earth, and their words to the end of the world. In them hath he set a tabernacle for the sun,

^{19:5} Which *is* like a bridegroom coming out of his chamber And rejoices like a strong man to run his race.

^{19:6} It starts at one end of the sky and goes across to the other. Nothing can hide from its heat.

^{19:7} The law of the Lord is perfect, converting souls: the testimony of the Lord is faithful, giving wisdom to little ones.

^{19:8} The statutes of the LORD *are* right, rejoicing the heart; The commandment of the LORD *is* pure, enlightening the eyes.

^{19:9} The fear of the Lord is holy, enduring for ever and ever: the judgments of the Lord are true, justified in themselves.

^{19:10} To be desired more than gold, and much precious stone: sweeter also than honey and the honeycomb.

^{19:11} Moreover, they give knowledge to me, your servant; I am rewarded for obeying them.

^{19:12} None of us know our faults. Forgive me when I sin without knowing it.

^{19:13} Don't let me do wrong on purpose, Lord, or let sin have control over my life. Then I will be innocent, and not guilty of some terrible fault.

^{19:14} **Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer.**

The Revelation 12 sign portrays a
CONCEPT BIRTH:
Judahtocracy a millennium predesigned administrative, organizational system
progressively unfolds.

- ^{12:1} *And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars. Revelation*

Millions saw the Revelation 12 sign in 2017, inclusive of all the details, affirming
They give knowledge to me, your servant; I am rewarded for obeying them.” Psalm 19:11

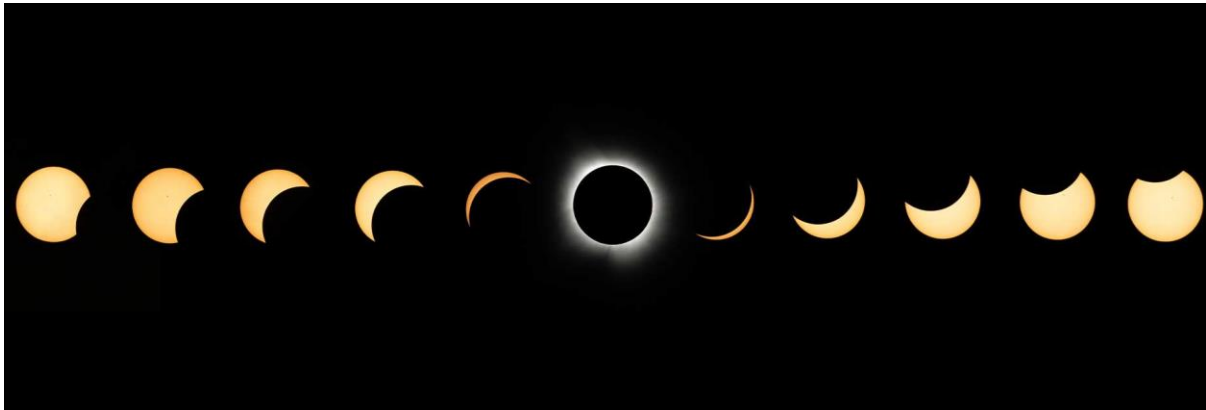

The Solar Eclipses of 2017 and 2024

X

A nation under divine judgment.

The LORD timed the solar eclipses in synchronicity with milestone events such as the 2017 conception of the Man-child, the one to appear and rule with an iron rod. The August 2017 solar eclipse made the first mark of the X from (Washington) left to right. The April 8, 2024, a solar eclipse made the mark from (Texas) South to Northeast, completing the X of divine judgment over America.

As in the case of Nineveh, the judgment did not come because of national repentance.

APRIL 8, 2024 SOLAR ECLIPSE NASA

Seven Years from 2017 to 2024

The Man-child was conceived in September 2017, and nine months later, the water busted, and the delivery was the conceptual Man-child with prophetic text. His Judahcratic rulership, a divine form of leadership, is in synchronicity with the 2024 solar eclipse, marking his authority over the City-state, the federal capital, Washington, D.C.

The rule over the City-State of Washington is not about political power but divine power. It's not about occupying congressional seats, but the spiritual power bestowed upon the 144k. This power is rooted in the restoration of Judah and the Ten Tribes' spiritual identities. In 2024, this spiritual power will triumph over the Plutocratic America, ushering in a new era of Judahtocracy.

Judahcratic Authority in 2024

So, he answered and said to me: “This *is* the word of the LORD to Zerubbabel: ‘Not by might nor by power, but by My Spirit,’ Says the LORD of hosts.

End-time Interpretative Events

As members of the Church Age, we have a unique perspective on biblical signs. We often see them as sensational and dramatic, sometimes as singular, disconnected events, making it challenging to accurately determine the driving forces behind evolutionary changes. However, it’s crucial to remember that we play a significant role in these prophetic end-time events. Our quest is to discover the principal aspect that **characterizes** evolutionary changes in any given situation. The paradigm of regime numbers guide us as to what to look for.

We adopt an objective mindset to integrate ourselves fully within the process dynamics. As the conscious elements, we, as the tribal nation of Israel, constantly strive for transformative changes into a qualitative state, which serves as our milestones and inspires us to keep moving forward.

Without question, historical changes are not easily grasped correctly. However, the Bible, our trusted roadmap, guides us through these changes. Still, we need verifiable historical markers as we travel through time within each Gentile’s four social systems, as depicted in the Man Image Model given by Daniel.

July has several milestones that enable us to know where we are relative to Revelation’s seven seals and the accompanying trumpet sounds. Consider the following dates.

- ✓ July 1 is observed as the Feast of Trumpet (Numbers 29:1)
- ✓ July 7. The observance of Abrahamic Covenant Article 2 states the LORD will lift jurisdictional restrictions on Israel at 400 years. In sequence, the nation holding the Israelites captive will be punished supernaturally by Michael.

- ✓ After that, under Article 3, the tribal nations will commence massive departure and take assets, using modern means to relocate, that will be of commercial use to the Commonwealth of Labor.
- ✓ July 12. Lady Naphtali illustratively announced through suffocation in Louisiana the beginning expiration phase of Jacob's tithing-blessing to the Gentiles. The illustrative announcement corresponds to Yeshua's Mission Station to the tribal nations of Israel, as indicated in Soundwave 25, to allow free breathing.
- ✓ July 30. The new cycle of Jubilee and the practicing vows of making them and keeping them, including releasing all personal debt.

The Elohim's servants are gifted with understanding an array of end-time signs, which intelligently position tribal nations and their members to understand complexities by working with calendar dates.

The Congregation of Israel, as the conscious element, plays a crucial role in this process, making it integral to understanding these signs.

The Appellate Ruling Coming from the High Court of Heaven.

Balaam, a prophet with his eyes fully opened to the divine, received an appellate ruling on the end-time declaratory outline decree regarding the inherited power given to Judah and the Ten Tribes of Israel to possess lands and dispel unwanted inhabitants of the Middle East.

The Moabites and Lot are exemplary conditions or circumstances conducive to manifesting end-time declaratory judgments.

King Moab, in his disbelief, faced the consequences of his actions. His disbelief in the destructive power of Abraham, Isaac, and Jacob's God led to the destruction of Sodom, Gomorrah, and the cities of the plains. His stepmother, a stark reminder of the LORD's words, turned into a pillar of salt where he visited her many times, evidentiary proof of instructions realized.

Moab's disbelief led to an appeal process culminating in the High Court of Heaven's ruling. Like his father Lot, Moab disbelieved in the impending destruction, hoping for mercy. However,

mercy was granted when Abraham argued on Lot's behalf before Gabriel and Michael to adjudicate mercy. There was nothing more to be said to Lot except to depart quickly. Likewise, Moab, as Lot's descendant, was granted the right to appeal. In the end, the High Court affirmed Balaam's litigation at the home district level, stating that no one can be cursed who the LORD has blessed. See references in Numbers, chapters 23 & 24.

Thousand of years later, the High Court Ruling on Balaam is now directly in Front of Us.

The Evolution of Judahtocracy, a system that has surpassed American-style Democracy in its influence and power, is a Judah and Israelite protocol for joining the center of governmental power during the times when social systems and/or their subdivisions transition either up forward or downward, using Daniel's Man Statue model depicting the four Gentiles' social systems in a rich historical context.

As the four Judahites occupied the head of gold in Babylon, the Judahite represents the two legs, Alabama and Texas, corresponding to capitalism and imperialism, in the last, final Gentile social system.

Judahtocracy

Israel's spiritual protocol, a key influencer in the establishment of Judahtocracy, has always dictated that one of its tribal members be bound to the executive level of state power. This mandate, with its profound influence, was particularly significant at the nation's birth and during governmental transitions, ensuring the new policy's identity's continuity and the growth.

Consistent with the protocol, the seed of Judahtocracy was sown at the exact historical moment as Plutocracy institutionalized democratic voting among elected officials in the U.S. Congress, a system still based on selecting those with lesser evil motives.

After a long evolutionary process, Judahtocracy has reached its maturity stage. It will overpower its protagonist and subdue its levers of state control over Judah and the Ten Tribes, effectively immobilizing the Plutocratic state.

Unraveling the Evolution

Step one

Our concept is grounded in the twelve tribes of Jacob.

1. Judah	5. Naphtali	9. Issachar
2. Reuben	6. Dan	10. Zebulun
3. Gad	7. Simeon	11. Joseph
4. Asher	8. Levi	12. Benjamin

Each tribe has its own cosmological theology (Genesis **chapter** 48 and 49). Thus, consider each tribe an astro-theologian. Yet, at the same time, each tribe has its own functional ideological trait as an operational component advancing Earth's civilizations (Deuteronomy chapter 33).

Step two

Let's now explore Asher, the Asherite, and the influential figure of Eusebius, also known as Eusebius Pamphilus. Eusebius became co-regent with Emperor Constantine.

Eusebius arranged the structural dogma for the Church Age around the Apostle Greed. His efforts were instrumental in laying the foundation for the Christian Empire, a monumental entity that outlasted previous empires by over a thousand years and left an indelible mark on history.

The Empire's legacy and our appreciation of Maritime Law.

- (a. The Apostle Creed is cited worldwide at Sunday's church services.
- (b. Colleges for training lawyers in Maritime contracts and enforcing them.
- (c. The legislative body wrote Admiralty Law for commerce. Today, they are reflected in Commercial Codes under the national body of law per country.
- (d. Innovated military technologies for preventing global groups from overthrowing Constantinople and enforcing Admiralty law.
- (e. A wealthy empire built on Christian values and a robust police and military force to enforce global trade agreements and repelled many attempts to conquer Constantinople.
- (f. The Choctaw Indians traded silver in Constantinople. Indeed, the export came from along the Alabama Tombigbee River.

Step three

Under Admiralty Law, Britain became a global superpower. When King James VI became King James I of England, he restructured the Crown's colonies to make them profitable. As an Asherite, King James I renamed England as Britain to mark a separation from the old outlook upon history.

He ordered a commission to translate the Bible, known as the King James Version (KJV). All colonies received the Word of God in one form or another.

The result of King James I's foreign policy change primarily benefitted Britain and its colonies, accounting for Pocahontas's traveling to London for a trade fair, where she was in the company of King James I. Upon leaving London, Pocahontas fell sick mysteriously, died, and was buried in London.

Step four

Nat Turner, an Asherite,

Like other Asherites before him, Nat Turner, an Asherite, prophetically illustrated his nation's global empire future in the early stages of existence, which is considered a toddler state of national development.

Because capitalism is the final Gentiles' social system, America incorporated administrative features from previous super-nations.

- a) On July 4, 1776, the American Colonies proclaimed themselves a Constitutional Republic, rejecting the monarchical form of government, a governing principle that rejected Kingship. Still, on July 4, 1776, the Constitution constitutionally enshrined enslaved Judah as a parallel opposite to the Constitutional Republic.
- b) Judah was integrated into the American Constitution to counterbalance the voting power in the U.S. Congress by counting Judah as 3/5 of a white man. For instance, five or ten enslaved equals one white man; this is how congressional voting was determined. Whites in the North outnumbered whites in the South and would control the U.S. Congress. Hence, 3/5 was the compromised.
- c) There are many divisions within tribal Dan. The avant-garde Dan gave up his congregational membership around 600 BC.
- d) Avant-garde Dan resurfaced as the Kazarian Kingdom and adopted the Babylonian Talmud or Judaism, which is the political character of Judaism is Zionism. Another division of Dan became known as the Jesuits. This group initially served the interest of the

Edomites (Esau), known as the Vatican and the Holy See/Mt. Seir. The Jesuits and the Freemasons overthrew the Pope in 1798. The white and black popes so called because of the colors of their attire. Avant-garde bankers Dan developed a stable international banking system to advance capitalism and imperialism.

- e) Dan, as assigned by Jacob, has been entrusted with the rule over the tribes of Israel. The Black Pope, Jesuits/Dan, delegated the task to Judah to construct the federal capital (District of Columbia–D.C.), including the Whitehouse.
- f) Oil was an integral part of sustaining the Industrial Revolution.
- g) Nat prototyped the Petrodollar, a global currency that benchmarks other currencies' values relative to the U.S. Dollar. As the global currency, the U.S. Dollar caused international trade to grow into imperialism, a new system that impairs the growth of developed and emerging markets worldwide. How so? A built-in financial device automatically chocks imports and exports at each new stage, particular to each country's economic strength.

Admiralty Law. In U.S. courtrooms, the Admiralty Flag stands on the side of the sitting judge, acknowledging international law. For example, if a contract issue involves parties in South Africa and the Solomon Islands, the lawsuit could be heard in American Court. Credit is given to Eusebius and the Byzantine Empire for codifying Maritime Law.

A theme runs through Noah's Flood, Jonah's whale, Jesus' death-stay inside the Earth for 3days and nights, the Byzantine's military power to enforce trade agreements, and the Israelites return to Egypt/America in ships: Levithan the sea monster, an allegory for imperialism and Judah's dispersion to the four corners of the Earth after A.D. 70 and continued during the era of colonialism.

The Petrodollar, a significant financial system, is a testament to the enduring influence of historical legal systems on modern economic structures. Built on the foundation of the Asherite's Maritime Law of international trade and colonialism, this connection underscores the profound impact of the past on our present monetary systems.

Step five

A. America. The U.S. Capital symbolically stands as a self-definition and a self-reflecting image. Pocahontas stands as Lady Freedom on top of the U.S. Capitol. The Statue of Liberty stands on principles opposite to the Lady Freedom/Lady Naphtali.

The Statue of Liberty is deceptive. She symbolizes moral decay and liberty to do whatever is immorally pleasing to Satan. Satan's mission is to kill, steal, and destroy morally.

B. Having returned to Egypt per Deuteronomy 28: 68, the LORD heard the cries of Judah and the Ten Tribes and responded by providing a unique form of relief. Legislatively, the Congregation of Israel would have to fight for relief by rearranging society's social distribution of wealth politically, financially, and economically.

- *"In that day there shall be an altar of the Lord in the midst of the land of Egypt, and a monument of the Lord at the borders thereof." Isaiah 19:19*

"In the midst of the land" means Oklahoma, the capital of the Ten Tribes of Israel; "a monument" means the federal district or the U.S. Capitol.

The constitutional amendment movement spearheaded by the Civil and Voter Rights Acts obligated the Egyptians (Americans) to uphold their constitutional law (vows) in the courts.

Again, the vote was given as a political tool to elect people to office and out in the primary interest of a better life. While the vote serves as a stopgap, the Savior to come is Judahocracy. It is time to rearrange and redistribute Jacob's tithing blessing back to the Ten Tribes.

In combination, the Man-child, the Executive Body of Israel in Exile, and the 144k represent the Savior.

- *"It shall be for a sign and a testimony to the Lord of hosts in the land of Egypt. For they shall cry to the Lord because of the oppressor, and he shall send them a Savior and a defender to deliver them." Isaiah 19:20*

C. In its original form, the paradoxical holiday, Juneteenth honors Judah-Texas. At the national level, Juneteenth has no constitutional standing because a percentage of enslaved Judah was still jurisdictionally restricted for seven months until December 18, 1865, when U.S. Congress ratified the Thirteenth Amendment. This is a milestone date as it signals the constitutional inauguration of Jacob's tithing-blessing to the nation and the world. On the other hand, Juneteenth's prophetic statement goes beyond Texas and covers the nation and the four corners of the world where tribal Judah has been scattered. Judah-Texas would enable the Petrodollars to accelerate commercial trade to their region of the world.

D. Heaven announced two signs for Judah to move into the active stage of preparing to depart from Egypt/America. First, on November 5, 2020, the moon stood still for three hours during the vote-counting results to determine the next U.S. President. Second, on June 17, 2021, heaven gave the sign of Judah's metaphorical leap of a butterfly at the signing into law Juneteenth national holiday.

A through D presents an accumulative conclusion.

It's time to Replace Dan's rulership with the Executive Body of Israel in Exile.

The signs in the heavens always foretell what will materialize on the Earth. July is a pivotal month, as there are issues to resolve from 2019. Granted, as such, we have July's calendar with updates on the projected monthly events.

Moreover, as we progress each week toward the end of 2024, foretold events will continue to materialize as we glean from the numerical paradigm of biblical numbers. We are in the seventh year since 2017, therefore, there will be resolution in favor of increased relocation to all lands promised.

We look forward to the day when Judahtocracy will envelop **Lady Freedom or Lady Naphtali**, **who stands as the announcer of tribal Judah's mission.** From the hands that built Dan's fortress to the hands that will take managerial control over Dan's City-state, Judah will eliminate the Vatican/Edomites' power centers (the Beast), monetarily dispossessing the banking class Dan of his assets, driving him from banking and finance forever.

As decreed by the High Court of Heaven, not by the Magistrate Court of the Second Heaven, the stone cut from the mountain without human hands will fall on toes of a Man Statue Image depicted by Daniel, causing it to fall over and collapse. That falling stone is Judah.
