Re: Reviewing September 19, 23, & 24. Institutionalizing the fourth Sabbath in September.

19. Watching the Queen's funeral off-and-on with the volume turned off, the Spirit appeared to The Judahite and directed his attention to a box, a packaged box done over a year ago in preparation for relocating. Having forgotten the box's contents, The Judahite opened the box to find books. While unpacking the books, two books were relevant to the day's occasion. *The Devils and Evil Spirits of Babylonia* by R. Campbell Thomson, M.A. (Assistant in the Department of Egyptian & Syrian Antiquities, British Museum). And *The Iron Curtain Over America* by Prof., Colonel John Owen Beaty, Ph.D. (1951).

Thomson is one of many authors to translate the volumes of Sumerian clay tablets, the known extrabiblical source material of those messengers who "fell from the sky." According to the leading author of the Sumerian Texts, the race of beings is still on the earth, as they come and go. This race of beings planted their civilization in Assyria and Babylon with connections to Egypt.

According to Revelation, Michael has or will close the portals from the earth to the heavens, thus, confining them to the planet.

At any rate, we learn from the Sumerian texts that support the biblical classes of spirits that are not of the **Holy Spirit**. For example, Jesus sent the spirits that inhabited the man into a herd of swine that committed suicide.

Three classes of spirits. Spirits that disembodied the "human soul" in search of rest 24/7 but cannot find rest—always moving throughout the earth. Secondly, "gruesome spirits which are half human and half demon." King Solomon talks about these demons. Thirdly, "the fiends are the same nature as the gods," who can manipulate the winds or weather.

Consider the story of Job, and the devil sent a great wind that killed his children. Additionally, the devil caused a fire to fall from the sky. The Bible tells us that Nimrod was a mighty hunter before the LORD. Nimrod was in search of the Sumerian Texts on which to consolidate his empire. Additionally, Nimrod always hunted down people to enslave them for building his city and the Tower of Babel.

The two books are time markers, certifying Jeremiah's Seventy years prophecy when destruction in phases starts to fall on Babylon.

23. Neither food nor meal was served.

Prayer Service Celebration came as the day's highlight wherein The Judahite presented a matured evolutionary outline since 2017. The Holy Spirit sent acknowledgments during the Prayer Service and affirmed September 28. Moreover, The Judahite showed a schema paradigm of the Man-child's unfolding roles inclusive of the Commonwealth of Israel.

24. The Sabbath. The Spirit appeared again. As first, the Spirit signified the security door removal on Sept. 17, 2017, to unobstructed the Man-child's entry. Completing the cycle, the supernatural symbolism closed the entry door, a closing statement of purpose—the seasonal maturity of the Man-child. In-and-out for developing predetermined doctrines.

A day for cooking the birthday celebration meal. The Holy Spirit continued to demonstrate the two-part systems of Soundwave25 and Headphone25 as seen in the ORDER24J, which is a delayed blessing to be realize in Atonement.

While cooking the lamb steak in butter, olive oil, fresh rosemary, so delicious, the smoke alarm sounded forcing The Judahite to open the window, allowing the fresh air to rush into the room.

In the sink area of purification, Archangel Raphael appeared with the fresh air to deliver his renowned gifts of reproductive blessings for goals of strategic importance for Israel. In this case, for the Stone Kingdom. Consider the many forms taken by Raphael.

- a. Jacob wrestles with Archangel Raphael at Peniel until daybreak to prove his worthiness to receive the certified divine blessing given by Isaac his father, and validation of his oath given at Bethel to offer ten of his sons to be a blessing to the world. Peniel is the interdimensional reality that allows the Israelites to walk between the realities of the visible and the invisible at the same time when on call. The Question: What is your name asked Jacob? Why do you want to know my name? Asked the Angel. Then the Angel vanished.
- b. A mother's behavior affects the embryo and the fetus. Angel Raphael gave Manoah and his wife specific instructions on carrying for Samson throughout his life. Manoah asked the Angel, "tell me your name. I want to honor you when your words come true." *Why do you want to know my name asked the Angel. It is a name of wonder.* The Angel said he would stay until Manoah prepares a burnt sacrifice unto the LORD but would not eat.

13:20 "For it came to pass, when the flame went up toward heaven from off the altar, that the angel of the LORD ascended in the flame of the altar. And Manoah and his wife looked on it and fell on their faces to the ground." Judge.

- c. Similar to how ORDER24J appeared, Angel Raphael appeared to deliver validation of the coming realities of ORDER24J and Headphone25. In contrast to his other appearances, Raphael's mission was predetermined and known, as noted, to The Judahite. Distinctively,

Angel Raphael appeared in the context of the New Covenant to actualize Headphone 25. Thus, the water of purification and sanctification are prerequisites for Babylon's fall, as emphasized in Jeremiah's book on the fall of Babylon. Therefore, a libation at the altar was sufficient. Accepted. Raphael disappeared behind the cutting board.
I did not ask for a name because there was no need to do so. He certified his presence.

The Sabbath

The Man-child represents the good news of transformation. It is through the 144k, the Executive Body of Israel, and The Judahite to effectuate ORDER24J.
The Man-child's birth will preserve its original day of celebration, keeping with the Sabbath.
