

The Executive Body of Israel Jurisdictional Headquartered in Israel Temporary office in the U.S.A.

October 21, 2021

Greetings, To the 144k and Firstfruits:

This letter comes as the second-phased notice of Babylon's fall. I want to draw your attention to three areas for further clarification.

1. John of Revelation and Jeremiah's oracles concerning Babylon or Mystery Babylon the Great relate to the British Empire. The global Central Bank System emerged from Britain, as the banking class of Dan receives credit for the accomplishment. From Daniel's financial 1:20 ratio model, capitalism as an economic body of understanding emerged collaboratively between Dan and tribal Manasseh, gifting the world with the working knowledge of the social system of capitalism. In substantiation, the original American Constitution provided the social and economic framework for capitalism from which imperialism would be an outgrowth.

Attributable to understanding Marxism, the banking class of Dan plays an ideological role in policymaking for capitalism. Understanding his tribal role to direct global economics, the various classes of Dan united according to their biblical oracles to rule over the other tribes of Israel. As such, Dan pushed the development of capitalism to its ultimate stage of imperialism. Being the snake or the serpent, Dan worked out the conceptual phase of imperialism. In time, Dan (the serpent) arranged with China (the Red Dragon) to follow the guidelines of imperialism.

Tribal Dan as a family understood Daniel's Man-Statue-Image representing the four social systems of the Gentiles. From which, they worked out the mathematical model of

imperialism. No other racial group in the world knew the model better than the designer

imperialism. No other racial group in the world knew the model better than the designer architects. Each family member of tribal Dan worked in tandem to construct the social, governmental, financial, and religious infrastructure using Daniel's model and blueprint.

Some people genuinely tried to present an accurate account of history throughout history; some people knowingly change facts of history. They have ulterior motives for manipulating historical accounts into a false representation; some people will promote any version of history if they can benefit in some form or another.

2. When considering Babylon the Great, the First and Second Beast system, and the regrowth of Daniel's global tree of economic prosperity in the land of the Chaldeans, the derived concept should be a working alliance based on mutual interest. All the systems interlock with each other through legacy systems of evolution. In a word, though not the dominant player, still holds a major role in the operations of capitalism.

As a historical record, Babylon faded away due to several causes over time, but yet to fall according to Jeremiah and other prophets. Daniel worked from Babylon after the Medes-Persians defeated the Babylonian Empire. With absolute certainty, the British Empire represents Mystery Babylon the Great. Yet, we know from Zachariah, the Vatican (the Little Horn) and England flew the basket of wickedness across the Atlantic to North America, where the woman sat on her pedestal base.

The Judahite followed the instruction of Jeremiah to announce: Babylon has fallen. Yes, the change of wording from Babylon is fallen. The wording **has** fallen directly related to each of the counts that The Judahite litigated within Jeremiah's Declaratory Order. Additionally, indictable charges per John.

Proper Service of Judgmental Order

• 63 And when thou shalt have made an end of reading this book, thou shalt tie a stone to it, and shalt throw it into the midst of the Euphrates: 64 And thou shalt say: Thus, shall Babylon sink, and she shall not rise up from the affliction that I will bring upon her, and she shall be utterly destroyed. Thus far are the words of Jeremiah.

Jeremiah sent Baruch, his secretary, to Babylon to deliver the judgmental Order that states Babylon's pain and destruction. Indeed, COVID-19 is causing financial and economic afflictions to add up each month upon Britain. The doors of opportunities for the United Kingdom are now closed. Each month, the signs become undeniably clear.

3. America's fall

America, Britain, and the Vatican make up the city-state Babylonian alliance. Still, America is the land of the Chaldeans, having specific judgmental orders of resolutions under particular statutes.

• Rev 16: 19 And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath.

After Baruch read the Complaint in Babylon, he followed the legal procedure by tying the stone to the Complaint and the Order as a case file. After which, he filed the case by throwing it into the river of time. Automatically a file copy is registered in the High Court of Heaven.

Thousands of years later, the Man-child would retrieve the case file. Indeed, the Man-child is now following Jeremiah's adjudicated Order. Indeed, The Judahite continues to litigate Babylon under all the statues noted by all the prophets: "Babylon sink, she shall not rise up from the affliction that I will bring upon her, and she shall be utterly destroyed." Jeremiah himself adjudicated the ruling. Thus, the Order is final.

On record, simultaneously, The Judahite pandemic announcement came with the unsealing of Jeremiah's Declaratory Order. John of Revelation cites some of the statutory codes that support Jeremiah's Ruling. Still, the pandemic brought a definiteness to Babylon's fall.

Theories vs. Concepts

As a fact of life, many people sensationalize biblical events. For sure, all biblical events are dramatic; however, for those who are predisposed not to see the oracles in the circumstances, they do not get the purposes of God's thoughts.

Considering this perspective, God is viewed as a combination vise grip; he turns slowly, knowing those of judgment cannot escape. Most people constantly misread the timing of God's subsequent handle twisting to mean he is doing nothing.

God allows vise grip pressure to force movement to the center where people's social dynamics move up and down and round and round. As seen today, throughout society, everyone feels the pressure in thousands of ways each day, but they don't accurately know the directions causing distress on all levels. As always, people misdirect their reasoning in the failure of laws, blaming everyone far and near. They miss the fact that God turned the vise grip handle five, ten, twenty, or thirty years ago, and, now, they are just feeling the distressful pressures.

God's methods are fair and just. It is generally known that men and women don't require much pressure to become mentally unstable with each handle turned.

Food shortages. For many, the hard reality appears when going shopping and seeing empty shelves. Why? Expect a ton of theories in the coming weeks explaining the shortages. Shortages will become a fact of life for many in the years to come. Famine is going to overtake many as Jeremiah's Declaratory Order executes.

Look at the photos of disappointment.

Prioritized focusing, The Judahite and the Man-child administrative tasks including but are not limited to 1-3.

- i. Work the equation of justice per 18:6 for those whose actions invoked the four horses of the apocalypses.
 - Treat her exactly as she has treated you; pay her back double for all she has done. Fill her cup with a drink twice as strong as the drink she prepared for you. Revelation 18:6

The Man-child is now petitioning the host of heaven to deliver a double dose of treatment to the city-state Babylon's managers and controllers at the senior level, including those who have directly pledged allegiance to the system.

- You will have to drink the wine that God gives to everyone who makes him angry. You will feel his mighty anger, and you will be tortured with fire and burning sulfur, while the holy angels and the Lamb look on. Revelation 14:10
- ii. Structuring mobilization departments by cities and regions to address statutory aftermaths per Revelation 18:8
 - "Because of this, in one day she will be struck with plagues--disease, grief, and famine. And she will be burned with fire because the Lord God, who judges her, is mighty."

As the faithful, the Congregation {the Man-child, the endorsed 144k, and the waves of Firstfruits} **pray** in faith for **a)** complete washing away the impurities from around the Man-child and all the Firstfruits; **b)** surround us with a wall of bright lights of security during the hour of the "LORD'S **vengeance—render a recompense upon her**." Your faithful awaits:

• Their Redeemer is strong; the LORD of Hosts is His name. He will fervently plead their case so that He may bring rest to the earth, **but turmoil to those who live in Babylon**. Jeremiah 50: 34

- Both of these things will overtake you [Babylon] suddenly on a single day: loss of children and widowhood. They will come upon you in full measure, despite the multitude of your incantations [programmed occultism in all forms of mass media] and the great power of your spells" [inseparable private and public behavior]. Isaiah 47:9
- iii. The Practical Conclusion. Jeremiah's Declaratory Order stands. Still, we must juxtapose his Order with his Seventy-years oracle to arrive at the closest dates for Babylon's overthrow.

We have tagline events leading to the overthrow. (a) "Thou shalt bind a stone to it" that especially means his oracle concerning the fall of Babylon, and "cast it into the midst of Euphrates." (b) The Judahite unsealed the pre-indictment and the Order via COVID 19. (c) The Man-child matured in February 2021. (d) The mark of salvation has been written on the foreheads of the 144k, or the Firstfruits. Only after the evolving events (a)-(d), Michael goes to the Euphrates' stone case file in heaven and timely acts:

• Then a mighty angel took up a stone like a great millstone and threw *it* into the sea, saying, "Thus with violence the great city Babylon shall be thrown down, and shall not be found anymore. Revelation 18:21

The Omnipotent Stone

A. Jacob anointed his stone-pillar as an oath to be God's people upon returning home in peace. He returned home with a name change (Israel). Israel extended his pledge to cover his descendants in Israel. With the emphasis on inclusion, Israel adopted the sons of Joseph, Ephraim and Manasseh. The second, the final, exilic Congregation is getting ready to enter Israel. B. Jeremiah's Declaratory Order regarding Babylon's overthrow procedurally unfolds (1) at the end of his Seventy-years oracle that ends Judah's captivity (2017), (2) per ORDER, The Judahite declared the Executive Body of Israel as the official governing body for the exilic Israelites. (3) per ORDER, The Judahite declared Babylon has fallen according to the code under which COVID-19 operates. Indeed, COVID-19, the pandemic, and its Delta Variants have caused many countries to surrender. Simply put, they cannot win despite the massive efforts and

resources. (4) per ORDER, the Executive Body of Israel first gathers tribal Judah from the four corners of the world to return home. C. Michael timely sees Jeremiah's adjudicated legal case files against Babylon. Next, Michael throws Daniel's stone, cut from the mountain without human hands, and cast it into the sea where it ricochets and hit the feet of the Gentiles' social systems, causing all of them to fall over to the ground; hence, the Stone Kingdom of Israel. D. Using Daniel's stone, Michael validates in total Jeremiah's Declaratory Order now resting at the bottom of the Euphrates River. E. The Executive Body of Israel awaits the Man-child to rule with an iron rod.

• The LORD Almighty says, "I will attack Babylon and bring it to ruin. I will leave nothing-no children, no survivors at all. I, the LORD, **have spoken**. Isaiah 14: 22.

Closing. Whereas in this moment of history, the appointed time is on judgment, the Stone Kingdom will usher in a kingdom wherein humanity will have unprecedented personal liberty, living a life full of possibilities. Wage slavery comes to an end.

The Sabbath will always be honored to our creator per the New Covenant. Joy and happiness, and obligations will become the order of the day in Yeshua's theocracy.

The Coat of Arms

- Rev 18:20 Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her.
- Let mount Zion rejoice, let the daughters of Judah be glad, because of thy judgments. Psalm 48:11
