

Joel's Reset Button Proclamation

To start a new era in the life of Zion.

Part 1

Reaffirming Joel's prophetic First Month of two rainfalls in July

*"Be glad then, ye children of Zion, and rejoice in the LORD your God because he has given you a Teacher of Justice. He causes rain to come down to you as before in the spring and fall. **In the first month**, the former rain and the latter rain will fall." Joel 2:23*

"Rain coming down to you as before" represents the fruitfulness in the Word of God through his son Yeshua—the New Testament Scriptures. In support of the fruitfulness and unfruitfulness of the Word of God, the parable about the Sower provides a good lesson. However, many biblical students have interpreted Joel 2:23 as seasonal rainfall in the autumn and spring.

1

On the other hand, that which has been shown and experienced by The Judahite, Joel 2:23 timely insight reads: the children of Zion, tribal Judah, rejoice because the Man-child has been given to you per Revelation 12. Politically, the Man-child is operative through the Executive Body of Israel, and The Judahite represents the Executive Body of Israel. As before, Elohim sends his ministering spirit to work through his selects, including the new Sanhedrin.

Spring and autumn rains falling in July, the first month, must harmonize for agricultural purposes. On the other hand, July combines two divine rainfalls. The first rainfall came on July 6/7 in synchronicity with tribal Judah's annual anniversary jurisdictional unrestricting after 400 years. The second rainfall came on July 16 when the rain soaked The Judahite from head to foot in seconds. Next came the supernatural electrical blackout in which the smoke alarm sounded during the outage; after restoring power, the flashing FIRE redlight continued for hours, signaling the prophetic FIRE. In application:

- *Blow the trumpet in Zion and sound an alarm in My holy mountain! Let all the inhabitants of the land tremble; For the day of the LORD is coming, for it is at hand. Joel 2:1*

Given the supernatural events of July 6/7 and 16, we have confidence in knowing Joel 2:1 and 23 match with July 2023. Indeed, tribal Judah stands on the continuum timeline of biblical prophecy.

Part 2

The Sun and Moon are in Synch with earthly prophetic milestones regarding Judah allowing the Reset Button to be pushed.

Judah's Reset Button

The Ten Tribes and Judah should **not have** a problem understanding how the past seven years have evolved a mature Messianic consciousness of readiness to return to the Lands of Promise to drive the Tabernacle Doctrine during the Millennium social system.

Ezekiel gives a planetary view of the Historical Reset Button when the Congregation prepares to depart Egypt-America going home.

- *When I extinguish you, I will cover the heavens and darken their stars. I will cover the sun with a cloud, and the moon will not give its light. Ezekiel 32:7*

Joel tells us about our detailed positioning and how Zion will appear on the mountains of Israel. Listen:

- *"A day of darkness and gloominess, A Day of clouds and thick darkness, Like the morning clouds spread over the mountains. A people come, great and strong, the like of whom has never been nor will there ever be any such after them, even for many successive generations." Joel 2:2*

The Atmospheric Character of Darkness in which Devine Changes Germinate.

- The sun shall be turned into darkness, and the moon into blood: before the great and dreadful day of the Lord doth come. Joel 2:31
- The earth shall quake before them; the heavens shall tremble: the sun and the moon shall be dark, and the stars shall withdraw their shining: Joel 2:10
 - a. Behold, the day of the LORD cometh, cruel both with wrath and fierce anger, to lay the land desolate: and he shall destroy the sinners thereof out of it. Isaiah 13:9
 - b. The great day of the LORD *is* near, *it is* near, and hasteth greatly, *even* the voice of the day of the LORD: the mighty man shall cry there bitterly. Zephaniah 1:14
 - c. For, behold, the day cometh, that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be stubble: and the day that cometh shall burn them up, saith the LORD of hosts, that it shall leave them neither root nor branch. Malachi 4:1,5

The Great Day of the LORD conditions Covenant Clauses commixing to guarantee successful transplanting.

Tribal Judah continues to evolve his capabilities' deployment to utilize milk and honey in the Lands of Promise, as his evolving skills are tailored to construct an upgraded Garden of Eden. According to the Edenic Judicial Decree, the upgrade construction starts when the Serpent's descendants' incapacity becomes evident—immobilized due to cutting their heels.

Judah-America in exile always knew such an Upgrade would be achievable after returning home and re-developing the Promised Land per the clauses in the Abrahamic Covenant, as the Trust Fund Account covers all costs.

Is there a minimum or maximum Great Day of the LORD?

Yes. The Great Day of the LORD is on par with the flood. However, each prophet in their days particularizes the general re-organizing principles of the Great Day of the LORD. For example, Habakkuk petitioned the LORD to chastise Judah because of the mountain of sin of his doings. Habakkuk asked the LORD why he would send the Babylonians against his people, given the Babylonians' degree of wickedness and cruelty. Similarly, Zephaniah reports on the evil in the land.

Both prophets and others shared prophetic projections regarding the Babylonian Captivity and the Temple's destruction. Moreover, the prophets project duality related to our time, specifically the Gentiles receiving God's wrath. Consider Zephaniah's definition:

- *That day is a day of wrath, a day of tribulation and distress, a day of calamity and misery, a day of darkness and obscurity, a day of clouds and whirlwinds. Zeph. 1:15.*

Biblically, darkness is used literally. Also, darkness is used symbolically as the loss of hope.

- *Then they will look to the earth, and behold, distress and darkness, the gloom of anguish; and they will be banished into thick darkness. Isaiah 8:22*

Whereas Zeph. 1:15 is a universal definition, the Bible gives particular situations when applied to varying degrees. For example, the Northern Kingdom of Israel received God's wrath and forcible removal. In AD 70, Judah became dispossessed of Judea—the Great Day of the LORD.

That day is a day of wrath, A Day of trouble and distress, A Day of devastation and desolation, A Day of darkness and gloominess, A Day of clouds and thick darkness. Zeph. 1:15

For a comprehensive view of the Great Day of the LORD, we must again consider that the Sun and Moon are in synch with earthly prophetic milestones related to Judah for the right time for the Reset Button to be pushed.

Moreover, Joshua followed the military instructions of Archangel Michael. Early on in life, Joshua became Moses' chief military captain and went on to be the general in the conquest of Canaan. As with Moses, Joshua knew tribal Ephraim was in North America, where the Congregation would return to the Egyptian's form of captivity—yet, programmed to accelerate the Amorites' iniquity maturity. **The sun and moon equation positioning** arranged by Joshua's voice per Archangel Michael's instructions would be for two pre-selected individuals to use the **conditional equation** for military operations as milestones measurement for ending Judah's jurisdictional restrictions and the return of the Congregation to the Promised Land. Joshua's military equation of the sun and moon positions is timed precisely with Judah's prophetic milestones to invoke the host of heaven military operations.

PART 3

Joel 2:30 and 2:10 present the conditional equation for the Reset Button.

- ❖ *“And I will shew wonders in heaven, and in earth, blood, and fire, and vapor of smoke.” Joel 2:30*
- ❖ *The earth shall quake before them; the heavens shall tremble: the sun and the moon shall be dark, and the stars shall withdraw their shining. Joel 2:10*

The two parts conditional equation:

- A. The preset time when Judah and the Ten Tribes would walk from under the Gentiles rulership. Yet, we are still in Egypt-America, after 400 years of tribulation.
- B. Upon reentering the Promise Land, Yeshua commences his theocracy. “In those days shall Juda be saved, and Israel shall dwell confidently: and this is the name that they shall call him: the Lord our just one.” Jeremiah 23:6

Matthew, Mark, Luke, and John subscribe to the conditional equation.

4

- ❖ Matthew 24:29
Immediately after the tribulation of those days: 'The sun will be darkened, and the moon will not give its light; the stars will fall from the sky, and the powers of the heavens will be shaken.'
- ❖ Mark 13:24
But in those days, after that tribulation: 'The sun will be darkened, and the moon will not give its light;^{2:25} the stars will fall from the sky, and the powers of the heavens will be shaken.'
- ❖ Luke 21:11
There will be great earthquakes, famines, and pestilences in various places, along with fearful sights and great signs from heaven.
- ❖ Luke 21:25
There will be signs in the sun and moon and stars, and on the earth dismay among the nations, bewildered by the roaring of the sea and the surging of the waves.
- ❖ Acts 2:19
I will show wonders in the heavens above and signs on the earth below, blood and fire and billows of smoke.^{2:20} The sun will be turned to darkness, and the moon to blood, before the coming of the great and glorious Day of the Lord.
- ❖ John of Revelation 8:7
Then the first angel sounded his trumpet, and hail and fire mixed with blood were hurled down upon the earth. A third of the earth was burned up, along with a third of the trees and all the green grass.

Part 6

Planet Earth's Pole Shifting is Necessary,
marking the start of the Messianic Millennium ERA.
The Gentiles' laws will never again rule over Judah.

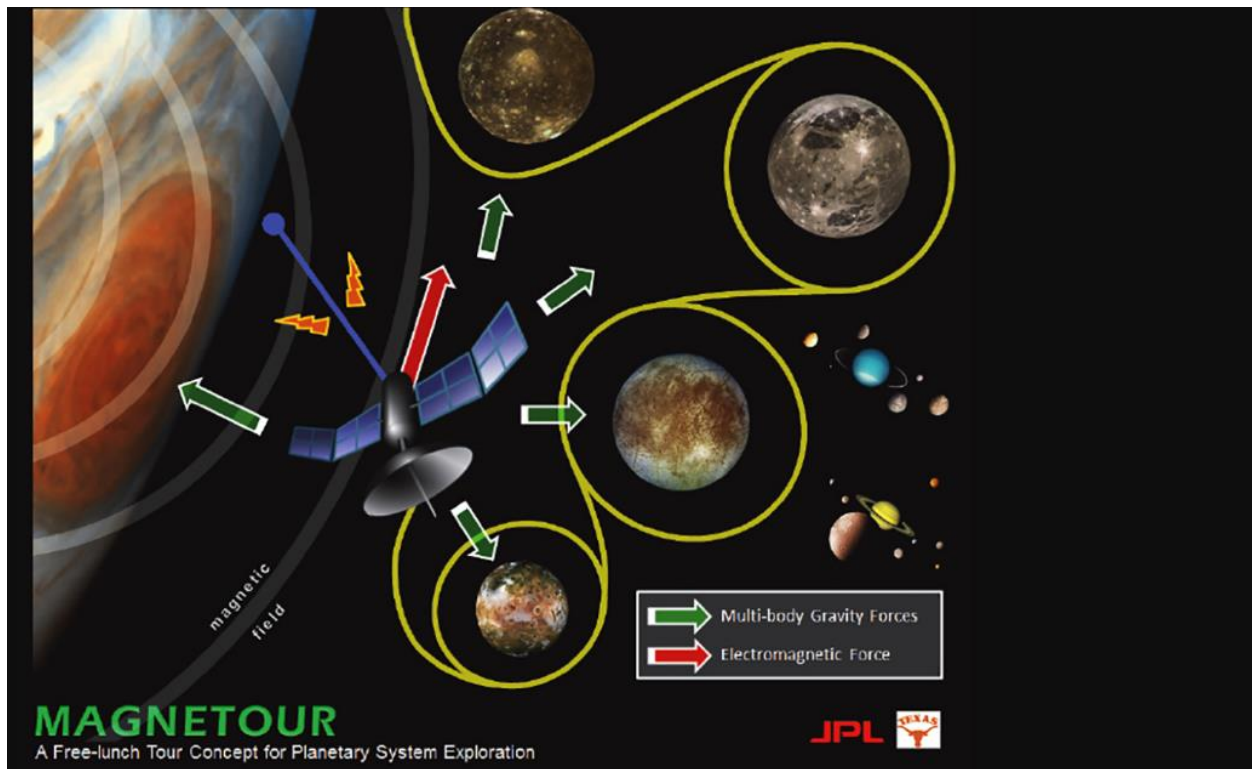

Image from NASA's Web page

Joel, Zephaniah, Isaiah, etc., alert us of the coming Day of the LORD, forming darkness upon the Earth.

They are telling up about earth's pole shift. To be expected, hundreds of millions will die.

The Judahite's concern is not about the dramatic effects of dying, only about the living. However, Elohim knows about the mental, psychological, and spiritual stress on Judah and Israel. Thus, the reasoning for reassuring Judah on July 21 about the great things that will be done by the Armies of Heaven and the outcomes. See Part 3 (Proclamation) and 4 (A and C).

Fear not, O land of Judah; rejoice and be glad: for the LORD has done great things. Joel 2:21

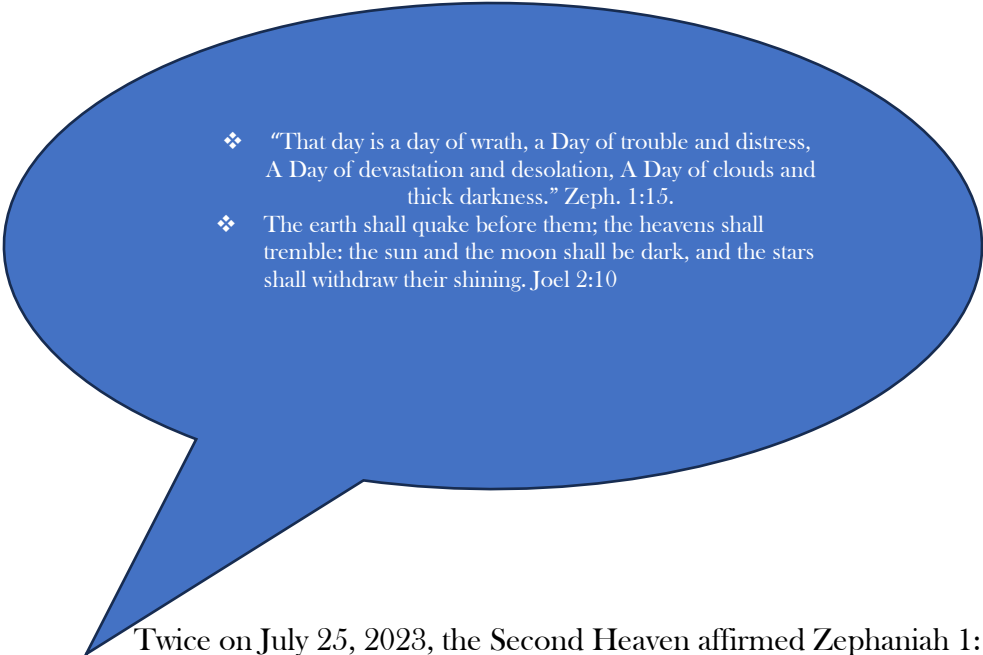

Part 7
**Transitional phases progressively unfold toward
 regathering the Congregation.**

- *For the LORD shall comfort Zion: he will comfort all her waste places; and he will make her wilderness like Eden, and her desert like the garden of the LORD; joy and gladness shall be found therein, thanksgiving, and the voice of melody. Isaiah 51:3*

**The recent weather precursors appeared, signaling the full realization of
 the wonders in heaven and earth.**

An estimated one thousand fires are burning in Canada today. The fires have been burning for weeks. The smoke has severely impacted the air quality in America's Mid-West and East. An air quality advisory has been issued, which seems like every other day, for people to stay indoors.

The Second Heaven Replied to The Judahite on July 22 & 23 regarding taking Judicial Notice of the Reset Proclamation.

- 
- ❖ "That day is a day of wrath, a Day of trouble and distress, A Day of devastation and desolation, A Day of clouds and thick darkness." Zeph. 1:15.
 - ❖ The earth shall quake before them; the heavens shall tremble; the sun and the moon shall be dark, and the stars shall withdraw their shining. Joel 2:10

11

Twice on July 25, 2023, the Second Heaven affirmed Zephaniah 1:15 and the Reset Proclamation. When? Again, observe the calendar dates. With absolute certainty, Zion should know the Reset Proclamation will occur.

New York City images show the smoke and fog from the Canada's forest fires. The New York City images mirror those of major cities in the Midwest, i.e., Chicago, Detroit, etc.

Due to the air quality index, people have received advisory notices to stay indoors.

The high temperatures have also added to the air quality.

These images give us an impression of darkness falling on the Earth.

Greek Islands are Burning

Just as fast as the fires extinguished, they re-ignited. A battle that is still being waged at this hour. The high temperatures have forced the firefighters to surrender.

Half of the Greek population is either on the move or preparing to flee.
