

Bench Trial: Criminal Case

Qualifying the Magistrate:

*Therefore, thus saith the Lord:
Behold I will judge thy cause, and
will take vengeance for thee, and I will
make her sea desolate, and will dry up
her spring. Jeremiah. 51:36*

*To me belongs vengeance, and
recompence; their foot shall slide
in due time: for the day of their
calamity is at hand, and the things
that shall come upon them make haste.
Deuteronomy 32:35*

BABYLON HAS FALLEN

The Magistrate of Heaven gave Jeremiah the Order to attach to his Seventy-year prophetic book "Babylon has Fallen."

Clearly stated, the crystallized result eliminates guessing about the qualitative global affairs in which the new (the Executive Body of Israel) has the vital forces to dissolve the old system.

At the end of Seventy-year, the completed (two-part) Seventy-year, all tribal members of Judah are to proclaim each day in any setting: "Babylon has Fallen."

On November 28, The Judahite received a notification:

- And I will send to Babylon fanners, and they (many countries) shall fan her, and shall destroy her land: For on every side, they will be opposed to her and when the disaster is over, Babylonia will be empty and worthless. Jeremiah 51:2
- ^{51:53}Even if Babylon should ascend to the heavens and fortify her strong fortress there, I would still send destroyers, this is the LORD's declaration.
- ^{49:16}Your fierceness has deceived you, the pride of your heart, O you who dwell in the clefts of the rock, who hold the height of the hill! Though you make your nest as high as the eagle, I will bring you down from there," says the LORD.

Additional clarification about the notification, the fanners are now positioned to perform their mission at a set time.

What to Expect?

- The fanners' mission is to clear the land until not one person is left. The fanners are missiles and bombs, causing people to fan out, as dramatized in the Ukrainian War, people running for their lives. Fanners also include cutting off necessities of life like water.
OR
I will bring you down from your high nest currently secured as an eagle's nest overhanging from an aperture, says the LORD.
- Air defense systems, "her strong fortress", will be destroyed.**

On November 29, The Judahite received a manifested result from the pulled-triggered moment registered on November 28. The fanners include biological weapons and weapons like napalm, but they are much more deadly than napalm bombs.

On November 30, the 28th and 29th combined with the 30th (2 +3).

The question of timing for the next phase.

November 30th gifted The Judahite with the notice of the **Timer**.

Destruction and creation come at the same time. **Raphael emphasized the 30th.**

When the day ended, the Angel manifested from the altar that all expected promises would materialize.
