2 The testimonial depositions herein support the Mosaic Cruses' extirpation as of July 1, 2022,
3 under the Feast of Trumpet. From June 16, 2022, to July 3, 2022, the eighteen days' of Trumpet consummates the
4 prelatic Mission Statement of Yeshua, Soundwave25.

5 In the original outline of Moses, the Feast of Trumpet finalizes its triumphant sound after
6 Yeshua's ascension and before his second coming according to the Edenic Judicial Decree that separates the First
7 and Second parts to correlate to Yeshua's first and second comings. During the interstitial period, the Northern
8 Kingdom of Israel relocate through force worldwide. Likewise, the Southern Kingdom of Judah was uprooted and
9 forced into bondage because the words of the Elohim's prophets and servants fell on death's ears.

10 Moses delivered the Manifesto of Blessings and Curses to the entire nation of Israel. In time, the
11 Manifesto evolved to reflect LORD's prophets, enabling the Congregation to grasp the Manifesto's implications.

12 Returning to Egypt in ships notes the rise of capitalism that rested exclusively on Judah's labor for
13 capital accumulation. Going to the East, the vessels report the period of imperialism, which emerged after
14 capitalism.

15 The Mosaic Manifesto coordinates with Daniel's Man Image Model of the Gentiles' four social
16 systems, making it easy to track the legal evolution imposed on Judah and the Ten Tribes.

17 Since 2017, the Israelites have reached a critical mass of knowledge about their biblical identities
18 and now looking up to the Throne of Heaven for salvation. They have come to consciousness and now realize that
19 they followed religious practices that were outside traditions established by the five books of the Bible and the Age
20 of the Apostles.

21 Today, Soundwave25 imbues the Israelites with the territorial spirit eager to form a living
22 Tabernacle according to the New Covenant under the authority of the Executive Body of Israel. The exiles represent
23 the replanted seed in the Lands of Promise and will fertilize the Lands with joy and the spirit of construction.

24 This Petition seeks to certify the Mosaic Curses' expiration date as July 1, 2022, which is
25 congruent with The Judahite's July 7, 2017, Declaratory jurisdictional reoccupation of Israel and all Lands of
26 Promise. Therefore, the modulating sounds of Trumpet demand date certification for taking advantage of Trumpet's
27 declared allotments per the Headphone25.

1 Codifying the expiration date is a legalized procedure that first acknowledges the depositions in
2 support of the Mosaic Manifesto. Next, as promised, the armies of heaven will clear the way to establish an
3 authoritative jurisdiction, the Executive Body of Israel, over all the Lands of Promise.

4 The eternal value of Trumpet's certification is not having to verbally repeat and listen to how
5 badly congregational members were and are treated by different social groups within the system of political
6 economy. However, many social groups are not subject to the Mosaic Manifesto and will continue to make claims
7 and complaints out of self-interest. Be vigilant. Many congregational members still find the lifestyle and cultural
8 practices of the Gentiles attractive, imitating them, not knowing the hidden deities in the lifestyles that are anti-
9 Yeshua. Countless Christians follow the spiritualized practices because they do not appear harmful. Quite true, they
10 are not offensive on the surface. The inherent problem is in psychological alliance with the spiritual defiled.

11 Trumpet's Certification forever allows the Congregation to look forward to the promised future of
12 joy and happiness. Our forebears thoroughly understood the Manifesto's theological curses. Overall, Yeshua's
13 Mission Statement extirpates the divisional aspects as the Sound of good news.

14 Moses, Isaiah, Jeremiah, Ezekiel, and many more prophets expanded and enhanced the Mosaic
15 Manifesto. To be comprehensive, the Prophetic Curses best reflect the system of jurisprudence as seen below
16 because the cause of action embodies the Congregation's inflictions. The signatories appear as the 144k in the Roll
17 Call on June 16, 2022. They, with this, enter their testimonials before the Court of Heaven:

UPHOLD THE ABRAHAMIC COVENANT PER GENESIS 15:13,14,16 AND 18-21. - 4

PRAYER

By granting Trumpet's Certification for codifying the Mosaic Curses' extirpation date, Judah and the Ten Tribes move proactively according to the Abrahamic Covenant to take physical control of monetary assets for constructing the Commonwealth of Israel.

PRAYING CODIFIES YET INEXTRICABLY ENRICHES.

Trumpet's Certification codifies acknowledged Curses at the same validates Yeshua's Mission Statement, Soundwave25. While Headphone25, ORDER24J, allows each person to receive the good news of replanting in the Lands of Promise and using the Trust Fund Account for constructing the Commonwealth of Israel.
