

## The Feast of Trumpet's Convocation July 1, 2022

### Introduction

The Convocation's Theme: *Once authorized by the Man-child, no one can override either an open or closed door. Isaiah 22:22*

Just as fitting when Soundwave25 announced Yeshua's Mission Statement by shattering the skillet's glass lid equally in unprecedented magnitude, the glowing lights throughout the day in the presence of The Judahite manifested the Holy Spirit on Convocation Day, July 1.

Indeed, the Holy Spirit communicated throughout the day through the modulating sounds of Trumpet juxtaposing the Manifesto of Curses and Headphone25—ORDER24J.
