5/12 Represents the New Pledge

Illustrating the Pledge, The Judahite poured the supernatural water from the five-gallon bucket into the toilet, a codification procedure, asserting some adherents to the ⁱⁿ 5/12 Oath will stand in some fashion against some or all the principles in the New Covenant of May 2021.

Psalm 15 Codified

Psalms 15 incorporates the codification process, Psalms 11, 12, 13, and 14. (4+1= 5). From now on, we have a focus and code enforcement. The Oath demands responsibility from both parties; therefore, Live within the well water of many blessings and do Right!

Fn. On December 2, the **Archangel** provided the procedures for canonizing **Dedication II**, which defines the new tabernacles within rebirthing tribal identity. The re-assembly of the Dry Bones—the entire house of Israel.

- *The Revelation of Jesus Christ, which God gave Him to show His servants—things which must shortly take place. And He sent and signified it by **His angel** to His servant John.*

Biblical numerology gives the meaning of numbers. Under Covenant, biblical Five is added to Seven (7 + 5) = Twelve. 5/12 expresses the new Water Covenant.

Herein, biblical number twelve binds the *contractual* agreement of WATER, the resource of life.

Moreover, in Yeshua's theocracy, twelve expresses a concept of "governmental perfection" regardless of forms, i.e., twelve tribes of Israel and twelve disciples. Twelve months in a year and twelve gates to the heavenly New Jerusalem are a few representations among many.

- *"Twelve is a perfect number, signifying perfection of government, or of governmental perfection. It is found as a multiple in ail [all] that has to do with rule. "*

Statements of Assertion:

- 1) In biblical numerology, 18 becomes $1 + 8 = 9$. December 18 purports a new regime of codes for prosecution.
- 2) Nothing shorter than coherency in signification, in parallel, the Temple's candle burned for eight days on a one-day supply of oil, and The Judahite's candle burned for 12 hours and closed out at 8 pm on December 18. In prophecy 8 hours = 8 days. Coincidence? Not at all. Apphus' double portion concluded according to the Mt. Horeb Court Order. Candle out at 8 pm certifies all elemental divisions reached satisfaction.
- 3) Yeshua stood between Moses and Elijah (the double portion) when the Heavenly Father proclaimed his satisfaction in his SON (16). $8 + 8 = 16$.

December 19, 2021

Reminded by the Archangel, biblical numerology 9, in prophetic context, is derived, in this instance, from 18 by adding $1 + 8 = 9$; thus, 9 represents judgment. 9 = the subject matter has been closed, for all aspects have been accounted for by self-exposition. Closed. It is impossible to re-open because self-motivation had defined its history as the subject matter. Procedurally, once the subject matter closes, next comes the finalized decision's execution. When and what date? The answer: all depends upon how the subject matter arose in the first place. Regardless of time, biblical nine always act decisively.

Calling attention to the procedures for pleading contractual issues, The Judahite received a schema showing the Oath of Seven is still valid through the operational codes in Psalms 11, 12, 13, and 14.

Awaken at 4:18 am by the Archangel, The Judahite completed his understanding of how the new judicial process will work. The Archangel held an assimilation process that ended at 9 pm.

Procedural Operations:

- 4) Issues and complaints involving Oath of Seven are subject to Four codes: Psalms 11, 12, 13, and 14.
- 5) Problems concerning the 5/12 Pledge are subject to Psalm 15.

- 6) Both 3) and 4) obligate the appointed authority to present the case to theocratic Court of Heaven for the rendering decision; if one, the designated officer must execute immediately with passion.

**The Stone Kingdom's Systems of Operations are Within
Yeshua's Theocracy.**

Remember, the Gentiles' legal system is now becoming obsolete. The Stone Kingdom has its own systems and subsystems of operations and justice.
