

### **Judgments according to law**

Universally, everyone has an issue with a particular law that a person is forced to obey. Regardless of reasons, lawbreakers are held to account.

There are many philosophical views on law. For example, some people search for the spirit of the law in the application of the law because victims see no accountability within the law, a longstanding complaint to the LORD. Some people hold to natural laws, a position that determinants are final arbitration.

As society regresses into its interdependency, judges rule according to philosophical values that they hold true. While other judges rule for notoriety. Generally, we live at a time when legislative laws are corrupt and judicial laws are turned upside down.

The Ten Commandments have long been removed from societal life, which has accelerated moral decay, the cancerous agent in family life—the basic structural unit of society.

### **The Congregation's doctrinal views on LAW.**

Unlike other peoples on earth, the Israelites received a unique insightful concept of one supreme deity that lives through the cosmos. The religious worldview has been shared with other peoples to bring a much more civilized behavior to their daily lives.

In the discourse among Job, his neighbors, and the Elohim, we gain precious knowledge about God's doctrinal philosophy on hardship, mental depression, and suffering. Job missed the point in the discourse, spending time proving the misplaced affliction because he was righteous. Indeed. But Job had to give time defending himself because his neighbor knew somehow he sinned and did not want to acknowledge his guilt.

The Elohim commanded Job from out of a whirlwind to stand on his feet and answer his questions. Job where were you when the laws of the oceans were established, to go a certain

distance onshore and no further. Job where were you when the seasons were set; Job where were you when the earth was birth and the angels of heaven song glory to the creation. Job realized his error when seeing the cosmic sciences in Elohim's creation. Then, Job knew it was unnecessary to prove his innocence to his friends. Job saw his infliction as a sacrificial blessing for others.

The devil walks throughout the earth every day to afflict those who are righteous, his primary focus. In contrast, the wicked people are already in his camp. Thus, less attention needs to encourage the violation of the Ten Commandments.

## Touching Base with the Universality of Cosmic Law

At this moment in history, the Congregation of Israel must let go of the old and embrace the new. Consider the milestones that demand we turn 180 degrees.

I AM  
Cosmic Credentials  
I AM

- Jeremiah's seventy-year prophecy for the exilic Judeans' return to the fatherland.
- The birth of the Man-child  
The fulfillment of the Feast Days  
The Soundwave25, Yeshua's Mission Statement  
The Soundwave25, Yeshua's Mission Statement
- The completed date that punctuated Jubilee
- The Holy Spirit restored tribal members with their correct tribal affiliations, a requirement for equity claims.
- On February 27, 2021, the New Covenant was made at the Dominical Altar.

### Transgenerational Certified Credentials: I AM

*Who has performed these deeds? Who has called forth the generations from the beginning? I, the LORD, the first and will be with the last-- I am he. Isa. 41:4*

*Jesus said to them: Amen, amen I say to you, before Abraham was made, I am. John 8:58*

Considering the above, all beliefs and practices that are no longer capable of evolving, regardless of how unique, must be left behind because the Stone Kingdom has its requirements for growing toward the end of the millennium. At such time, a cosmic ruling will determine who will continue to evolve and those who will spend eternity in anguish.

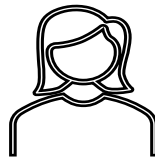

The New Covenant made on February 27, 2021, at the Dominical Altar [8 + 8 =16] drives the re-casting character elements, thus replacing the Abrahamic Covenant on his birthday, though ratified on May 29, 2021. According to Jeremiah's Letter, Lady Freedom served her purpose for Judah and Israel. A new iconic symbol will stand in the land of Judah. (See below).

### **The Stone Kingdom removes both symbolism and practices of Imperialism**

Imperialistic laws have always centered around Mosaic Curses, and even the American penal institution is nothing more than an updated version of the slave castles of Africa and the living conditions of the slave ships. Considering the updated version, aspects of the Mosaic Curses grow and multiply exponentially in prisons to move the seven vials of wickedness to society. Over a hundred years, the agendized curses matured inside the cell-flask and transferred to the outside communities; thus, reaching critical mass. Upon returning to prison and/ or going to jail, the

agendized curses of evil always become a **degree more substantial**. The people who are employed in the penal system become contaminated in degrees. Everyone becomes part of the perpetual cycle of wickedness and evil. Over time, society accepts anti-Ten Commandments, encouraging everyone to engage in some form or fashion. Putting the icing on the cake, electronic programming in all forms teaches people, through entertaining, how to better practice anti-Ten Commandments.

The new iconic design is coming to match the description below.

The new image of the Commonwealth of Israel entails: a Judean woman wearing a black designed head cap with a tassel of sorts hanging on the left side of the head in a stepped pyramid, narrow at the top and wide at the bottom down to the shoulder. Each step represents the numbers 2,7,8,11 & 25. (See the image of Lady Freedom on the Capitol Dome above). The designed robe: black with multiple white stripes.

**February comes as the month for actualizing Declarations  
And  
Announced Proclamations for two different dates in Pentecost's May**

Yes, judgments are at the door. Nations will drink from the wine cut of wrath, having no options, though they don't like the consequences of annihilation. Daniel prophesied historical events hundreds and thousands of years before their seasons and times and has proven to be 100% accurate. Daniel foretold the four Gentiles' kingdom formations, growth, and demised as a review.

At one point in history, one person presented an argument showing the book of Daniel was a forgery. Scholarly research proved the false assertion rested on the lack of knowledge of history. Since that time, no one else appeared making false claims about Daniel as they would have been fed to the lions for lunch.

**Daniel Foretells of the Man-child standing  
As the Magistrate before the Bench  
In the Second Heaven to receive the  
ORDERS of Judgment.**

“I was watching in the night visions, And behold, *One* like the Son of Man, came with the clouds of heaven. He approached the Ancient of Days and was led into His presence.” Daniel 7:13

This is the interpretation: The vision concerns the imperialistic system of today. Daniel saw “one like the Son of Man.” Daniel saw a man like the Son of God. In simplification: Daniel saw the Man-child born in the same month of Yeshua. Appropriately, Yeshua was born first.

Revelation 12 tells when the Man-child was born. Like Yeshua, the Man-child’s conceptual birth took place in heaven, not on earth, and was assigned to the host. The angel informed both Mary and Joseph Jesus’s divine origin. Coming in the cloud means the method of moving from heaven to earth.

The Man-child approached the Bench/Wall of the Second Heaven on 24 January as the authorized Magistrate, like Daniel, to receive the Court Orders and give an interpretation. In Part II, the presentation discloses the Man-child’s functioning as the Magistrate within Yeshua’s theocracy.

Daniel confirms the Man-child of Revelation 12 sign. He would come to Yeshua for his mission validation for the exilic return to the Promised Land after years of doctrinal maturity.

- “He approached the Ancient of Days and was led into His presence.” (The Man-child, just like Daniel, reading the ORDER from the Bench-Wall of the Second Heaven.)

**The Man-child’s Stone Kingdom under Yeshua**

“And there was given him dominion, and glory, and a kingdom, that all people, nations, and languages, should serve him: his dominion is an everlasting dominion, which shall not pass away, and his kingdom that which shall not be destroyed. Daniel 7:14

## The Gentiles' Kingdom will be Divided and Given to the Executive Body of Israel

- <sup>5:28</sup> *PERES.* "Thy kingdom is divided, and given..."

In this presentation, little attention presents the fall of imperialism and the nations involved. Though the cosmic principle PERES holds and will be used to reference biblical eight (8), the index to delineate events of 8 February for pending execution.

As of this very hour 9 February 22, professional intelligence agencies and the national security apparatus of nation-states worldwide match the description presented by Isaiah:

- You are wearied in the multitude of your counsels; Let now the astrologers, the stargazers, And the monthly prognosticators Stand up and save you from what shall come upon you. Isa. 47:18

## The Court Order of Eight and its Interpretation

Eight represents a. the Dominical Altar and b. the New Covenant. On February 27, 2021, the Elohim accepted the offerings of dairy products and two canisters of eight biscuits. The sixteen biscuits contained yeast. They required baking. Before going shopping, The Spirit informed The Judahite to expect an imminent announcement from heaven.

The Judahite regularly worship on a Saturday, the context of the announcement.

After shopping, all the items disappeared from the refrigerator. Hence, the term Dominical Altar, or the LORD of the Sabbath. Under the New Covenant, eight is the divine seal of superabundance. The New Covenant represents regeneration, a new era, the beginning.

**On February 8, 2022, the 2<sup>ND</sup> Heaven Court certified the following:**

1. The Court of the Second Heaven affirmed 8 February as the day of its ORDERS.
2. Daniel's night vision of the Man-child and 24 January Magistrate's ORDERS.
3. Nations will serve the Executive Body of Israel, the Man-child, as the representative of God's theocracy. **Specificity came along with this sub-Order.**
4. As another specified sub-Order, Judah's jurisdiction will be restored.
  - *The LORD also shall save the tents of Judah first, that the glory of the house of David and the glory of the inhabitants of Jerusalem do not magnify themselves against Judah.*
