

Teacher submission deadline for 2025 is September 8th.

Please keep in mind that your submission should be fresh and not previously taught at a Convention. You only hurt yourself and the event by teaching a pre-taught class and reducing your chance at the number of students.

Our event in 2025 is April 3-6 please feel free to join us in beautiful St. Simons Island, Georgia. Our event location is at Epworth by the Sea. We are completely self contained at the event. The hotel, classrooms and dining hall are all in one location.
