

Teacher submission deadline for 2024 has been completed.

Submission for 2025 will begin in May of 2025 with a deadline of **September 8, 2025**

Please keep in mind that your submission should be fresh and not previously taught at a Convention. You only hurt yourself and the event by teaching a pre-taught class and reducing your chance at the number of students.

Our event in 2024 is April 4-7 please feel free to join us in beautiful St. Simons, Georgia. We do not have the April 2025 dates as of yet but are typically within a week either way of this time frame.
