PRESIDENT'S COMMENTS

NOVEMBER..HAPPY THANKSGIVING EVERYONE, and may it be the most Blessed ever with family and friends. The cold air nips at your nose reminding you the Holidays are upon us already. So much to get done and so little time to do it. We run around like crazy these last two months of the year trying to fit all things in and zoom , it is gone. Baking, shopping, painting, wrapping, cooking, decorating, meetings, donating, commitments, dinners, concerts, games, visits, church, Christmas cards, names to give presents, and the list goes on and on... Some are teaching classes or working and this

adds more pressure to the list. SIT DOWN, MAKE A CHECK LIST OF ALL PRIORITIES AND CROSS OFF ALL EXTRAS. Then check off each task that is listed as completed to keep your sanity. We put so much on ourselves and makes all so stressful. Spend time enjoying the spirit of the season for yourself and family. Give gift cards and let them buy what they want, especially children and teens want overpriced electronics or far out fashions. Most people appreciate your hand made gifts as they know it is especially made for them. You can always include their likes or relate to their decor or collections. I have a couple of special hand made gifts that I display year around. Ask our Heavenly Father to guide us and keep us all safe as we prepare, and then sit down to that special Thanksgiving dinner. Give thanks for all that you have, family, food, water, transportation, electricity, roof over our head, and a country that is still free to come and go and worship as we wish. Prayers for Harold who fell and broke his hip. I'm sure he'd love to hear from you, here is his email;

Have a blessed holiday.

CONFERENCE

Cindy and her team are well on their way to setting up the conference set for MARCH 30 - APRIL 2, 2023. Be sure to hint to your family that it would be a great gift to be able to attend. Watch for updates and plans for this special time.

GREAT NEWS FROM CINDY...

Exciting news...changes and improvements are coming.....Many of you have been asking if there was any way we could Zoom the St. Simons classes. Diane and Cindy have been up to SS testing equipment and Internet access and it looks like we are good to go to offer the addition of Zoom for our upcoming event. More detailed info will be coming on this shortly. For now know that not all the classes will be on Zoom. We will Zoom our guest artist classes and a few more which will be decided shortly. This will be a challenge for us however we feel we will be able to reach a wider group of painters and then hopefully that will lead to more in attendance for the future. Watch for an email with all the details regarding rates, classes, etc. to be sent shortly. One other thing to note/clarify is you no longer need a password from Diane to access the pattern packets. You will each create your own account and password to access the information as a paid member. Either Diane or I will be entering the paid members in the "Members only" group. Once you are in there, which everyone is as of now, you will be prompted to create an account with a password. This will give you access to the packets. You also will need an account to use the shop to purchase either your annual dues or the event registration, classes, hotel etc. by credit card or PayPal. I recommend everyone go to the members only page and set up their account and password- please make a note of this so you will have it for the future. Also be patient for that page to load. There are quite a few packets out there for you and they do take a minute to load. If we find it is too long, we will let you know which ones will be "retired" and remove a few so they will load faster.

(CHANGES ARE BEING MADE.)
