 - Des Moines - desmoines@a-1medicalstaffing.com
 - Quad Cities - quadcities@a-1medicalstaffing.com
 - Travel Dept - travel@a-1medicalstaffing.com
- Most of our customers strongly recommend lunch breaks or are asking us to automatically deduct them from timesheets. Please try to ensure you are getting a lunch break and if not, have that box initialed by the customer. Breaks help reduce burn out and risk of injury.

- Please continue to follow local, state and federal guidance on COVID-19

- and the policies in place at the customer facilities you are working at.
- Make sure you are wearing your ID badge when on assignment. Contact us if you need a new one.

Travel Assignments

We are excited to announce the addition of Travel Nursing to our employment options. We are currently taking a regional approach to staffing travelers, starting with the states of Iowa, Illinois, Missouri, Kansas, Arkansas and Colorado.

With this new initiative, we have hired an associate to work closely with our current customers and expand our account portfolio. Please help us in welcoming Amy Rasmussen to our A-1 Team! Amy is a Travel Nurse Recruiter who has spent the last 4 years recruiting in healthcare staffing. Amy attended Iowa State University where she earned her bachelor's degree in Liberal Studies. She also has experience working directly with long term care facilities as an Activity Director so understands the importance of helping our customers with their staffing needs. Please feel free to reach out to Amy to explore travel!
