BORSA

Hand Bag

It is Made of High-quality UP Leather that has been treated with a water-proofing agent. Scratches or stains may be readily removed by cleaning, and the twin metal zippers keep your belongings protected.

Borsa Hand bag have a large storage capacity and can hold a phone, wallets, powerbanks, perfume, passports, office materials, and other small stuff.

VENTURE

Our Venture Bag is constructed of PU leather and PVC, it is safe, sturdy, and extremely simple to use. The bag's design is simple and minimal, yet it is appropriate for whatever style you wear since the color of the bag contrasts with your style for any occasion and event.

VENTURE

Strong Zipper

Any items you may have stay secure inside with a strong zipper closure. And it is corrosion-resistant. A zipper bag is more durable than those inferior zip-top bags, at least resistant to leaks in this case. Carry small plastic containers without worries.

Multifunctional

This bag is ideal as a present for friends, sisters, and loved ones, or as a treat for yourself. An great cosmetics, medication, toiletries, or other small item organizer for travel and at home.

WaterProof

This bag is transparent, eco-friendly, waterproof material to see and get items quickly. The Reusable Travel Pack for All Your Liquids is simple to clean.

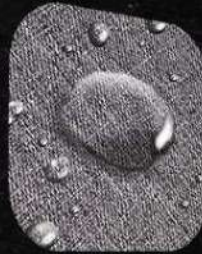

ARMORED

The **ARMORED** Bag is comprised of a strong fabric that is lined with superior activated carbon and filtering non-woven fabric. The activated carbon fiber lining retains aroma and locks in all odors. Carry it odor-free wherever you go, and it keeps your items fresh.

ARMORED

WATER AND SMELL PROOF

The smell proof bag comes with state-of-art carbon technology full bag interior lining, all made by 100% natural odor absorbent long-lasting materials and fabric which preserves all smells inside while keeping your goods fresh and flavorful for longer.

COMPACT GRID

The inner lining uses a tight mesh for easy access, and the soft inner lining will protect your items from damage.is your best choice.

SAFETY COMBINATION LOCK

Keep your valuables safe and protected with the lock system with code.Keep your valuables safe and protected with the lock system with code. Preset at 000, you can manually change the code to your personal preference.

GranDeur

Slim Bifold Wallet

The **GranDeur** *Slim Bifold Wallet* features 9 multiple slots for your credit cards, identity cards, money, and etc. This wallet is crafted from 100% genuine leather for durability.

this wallet is RFID-blocking wallets the RFID-blockers that prevent skimmers from stealing your credit card information from your wallet using RFID (radio frequency identification) scanners. Using a wallet to protect yourself against electronic theft is a secure and simple method to do it.

COVER

The **Cover** *Passport* is made of strong and high-quality cowhide leather. The design adds elegance and a classy style to your passport. The texture is really soft and clear, which is why it's really convenient to use every day.

COVER

Accommodates Credit cards, Cash, Airline tickets, and Passports We created a Leather Passport Holder Keeper for men and women that has places for credit cards, ID cards, and a money pocket.

A must-have travel gear for today's minimalist traveler looking for both design and functionality. It has been intended to arrange your passport during your vacation, allowing you to have it close at hand at all times. Because of its compact size, it is easy to grasp and easily slides into your pocket or handbag..

Our **Professional Note** is constructed of high-quality full-grain cowhide leather and is ideal for use at work, school, or at home. It's ideal for travel because the strong leather cover won't trip or bend in your backpack.

Cow hide leather is used for crafts since it is both sturdy and supple. We carefully pick leather to avoid scratches caused by handling. Natural markings such as scars and fly bites, on the other hand, are part of what makes leather special, and these imperfections enhance an already unique product.
