From Pastor Kurt

Jesus began his ministry with a test. According to Mark's Gospel (our primary source during this second of our three-year lectionary), after Jesus is baptized, the Holy Spirit "immediately" drives Jesus into the wilderness to be tempted by Satan.

When I first heard this verse as a child I pictured Jesus quickly hopping into the passenger seat of the family station wagon with the Holy Spirit behind the steering wheel speedily driving out into the desert. The literal interpretation isn't always the best.

Mark, like the other gospel writers, draws the connection between baptism and the testing Jesus experiences in the wilderness. In baptism we are

joined to the death and resurrection of Christ. And immediately temptations come our way. Temptations that test our faith in Christ by drawing our trust away from him.

The story of Jesus' temptation in the wilderness marks the beginning of the season of Lent.

Lent is a time in which we are invited to engage more consciously and more deeply in those activities that help us strengthen our faith in the face of temptations. So, for example, we might give up something we enjoy during Lent. Why? In order to show us how easy it is to be tempted and how weak our resolve actually is and how much

we depend upon God to give us strength in the face of our weakness. If wanting that piece of chocolate looms large in your thoughts then what about the spiritual temptations that really matter? Lent is a kind of "spring training" for the soul so when the real season of faith takes place we know what to do. Which is to trust God with all our heart, all our soul, and all our strength.

May you be strengthened in your faith in Christ when tests come your way on your Lenten journey.

In Christ,
Pastor Kurt Strause

These results were put together and distributed via the newsletter, website and Email.

Shared the current status with Synod Rep, Beth Martini.

Next Actions:

They will meet again on 24 January to finalize the wording on the MSP Received recommendations to make sure we add language to be clear around acceptance of all at Swamp Lutheran (including LGBTQ+)

Set meeting with Council, Call Committee and Synod to review and discuss the draft.

Oher items discussed:

Pastor Strause's zoom Bible Study has been meeting weekly with over a dozen participants. This Study will conclude on 26 January.

The next Bible Study will be starting up on the first Tuesday in Lent, 23 February and will run for 5 weeks. Will be studying the passion accounts in the New Testament with an eye towards our own discipleship in following the way of the cross.

The Cocalico Lutheran Cluster of Churches will sponsor mid-week Lenten services. These will be virtual worship opportunities. Each week a different congregation will record a worship service/devotional opportunity on the theme "Created for Community." The recorded worship service will be made available to each congregation to publish in whatever way will make it accessible to most of their members. For us this will be on our Youtube channel and website.

As in previous years Swamp will take responsibility for the Ascension Day service which at this point may possibly be in person.

Since Christmas we have paused our gatherings inside the church in anticipation of a post-holiday "spike" in coronavirus cases. On Monday January 25 our Covid Task Force will meet to assess the current situation and deliberate whether or not it would be safe and appropriate to return to in-person worship. They will make a recommendation to the Church Council after their meeting which we can consider through an email vote next week.

Phillies pitchers and catchers report to Clearwater in mid February to begin the 2021 season. Go Phils! Summary by Lori Gockley.

Mary Kring wants to share with the congregation the good news of her healing. Mary has survived two cancers over two years and was considered on the verge of death twice during the same time period. She knows that her survival is a result of the prayers of God's people. Giving God the Glory for answered prayer she wants the congregation to know that she is cancer free and doing well. Mary says, "prayer works miracles and I am one of those miracles. Thank you for praying for me!"

Following Jesus: An Online Lenten Pilgrimage

Lent provides Christians and opportunity to deepen their faith by focusing on Jesus’ own journey to the cross. By following our Lord to his Passion, Death, and Resurrection we are drawn into the story of God’s confrontation with the forces of sin and evil and the victory God wins over death. You are invited to participate in a Lenten pilgrimage with Jesus through a weekly gathering on Zoom. Each week we’ll follow Jesus to the cross by reading the stories in scripture.

Our journey will be enhanced by depictions in art, music, and literature.

The sessions will be held each week on Tuesdays beginning on February 23 and continue for five weeks through March 23. Each session begins at 7:00 p.m. and lasts about an hour. All are welcome to participate but we are asking that you register. You may do so by following the link on our church’s website.
