Swamp Evangelical Lutheran Church

OCTOBER 2022

From Pastor Scott

Dear Friends at Swamp Lutheran Church:

Over two and a half years ago, Pastor Trout retired after fifty years of serving you. At the same time, the world was shutting down due to the pandemic.

There were serious concerns about what effect that would have on the church. Many of us feared a scarcity world would take over, but that is not what happened.

You continued in the work God had set before you and, a year ago, you called me as your pastor.

Take a look now as we re-emerge from the pandemic. God has been abundantly present.

It is in times of difficulty that the world sees the importance of the church and our message of grace more clearly. God is up to something here at Swamp and it is exciting to be part of that.

First, let me say thank you for the ways in which you stepped up to continue to worship, to care for one another, and to look for opportunities to share the Gospel when our community so clearly needed the Gospel during the pandemic.

You also demonstrated significant generosity to

make certain that this ministry remained strong.

Now, let me encourage you that I believe what God has shown us through this crisis is our need to walk together, continue to innovate, and step up the ways in which we share God's love to a world that still so desperately needs to recognize God's presence.

We are looking forward. God is calling us to great new adventures and your generosity will help us accomplish so much.

As we enter into our stewardship drive this year, let's think about all the ways that we see generosity and abundance.

In Christ,
Pastor Scott

Prayer Requests

When someone is put on the prayers list, we will keep them on for four weeks. After that time, they will be taken off unless you make another request to have them put back on.

Ephrata Area Social Services and Swamp Lutheran Church continue on a monthly cycle to partner with food distribution. Monthly on the second Wednesday we distribute food boxes on behalf of EASS. Currently, there is a shortage of canned carrots, mixed vegetables and peaches, tomato soup, rice and canned chicken and spam. Thank you for helping as you are able.

Next Council Meeting

October 19, 2022

If you are missing something and have been to church please call the office to double check if it might be here. We do find things left in the sanctuary from time to time.

The church picnic and Rally Day along with Touch a Truck were a great success and fun for those who attended. Of course, the details of these events take coordination and a great deal of volunteer work. The church is grateful to our members who sacrificially give of their time and talents so that we can share the love of Christ through our activities outside of worship. Our kickoff to the new church year has begun!

DRIVERS NEEDED

From time to time members of our congregation need help with rides for various reasons. We need VOLUNTEERS for this outreach. Please call the office and let Brenda know that you are willing to be put on an available driver list.

KNITTERS AND CROCHETERS NEEDED

It has come to our attention that patients at the VA Medical Center in Lebanon need Lap Robes. The size of the Lap Robe needed is **3.5' x 5'** and may be knitted, crocheted, or made of fleece. Since the Lap Robes are sent home with the patient when they leave the VA, there is an ongoing need for them. If you currently make prayer shawls, please consider switching to making Lap Robes. **Yarn is available from the church, if needed.** We will be collecting the Lap Robes in the Church Library. So far the church has delivered 25 lap robes to the VA in Lebanon. **Thank you to all continuing to work on this outreach.**

GUESS WHO?

I grew up in Sullivan County in a small Lutheran Church. The Lutheran tradition firmly instilled in me, I continued my education at Muhlenberg College. Growing up in a small, rural community, the church was the center of my life.

I transferred to Swamp Lutheran Church 43 years ago. I have taught Sunday School over 50 years. I helped in creating the curriculum for my Sunday School class. Karen Klingensmith and I worked together to organize our VBS program.

In the past I have been active with our Youth Group. Transporting our youth to help at various outreaches allowed me the opportunity to be involved with local mission such as Luther Acres or Soup Kitchens in Reading. I chaperoned 4 youth who attended the Youth Gathering in Atlanta, Georgia. The Youth Gathering is an awesome opportunity for our local youth to connect and learn from other youth from around the country. I love watching our young people grow!

My passion is Worship! I continue to work with our Youth by instructing them and working with them in performing specific services during our Worship.

Participating with Confirmation Camp continues to be a priority. I continue to include our youth in special visits I make to various shut-in members. Our church members always enjoy having young visitors. These visits help in bridging the Generational Gap.

I have served on Church Council and was recently on the Call Committee for Pastor Scott Brubaker. My participation in events of the church remains a priority.

One of my special events that I am known for is making a "Seder Meal" for my Sunday School class. This meal is prepared during our Passover Celebrations. The meal includes Lamb and haroset. I have many fond memories around the "Seder."

A number of years ago I was blessed by being invited to join a mission trip to India. My eyes were abruptly opened when I saw a school made out of concrete. There were no books, pencils or paper. The teachers made what they needed to teach the children. They sang songs and played games. There was no complaining, no fighting. There was rice in burlap bags. I am very grateful I had this opportunity. Teaching is one of my passions.

I have participated on committees on the Synod level and have met and worked with many wonderful people. At Swamp Lutheran Church we learn to respect God, respect people, respect our Congregation, and to respect ourselves. It is important to me to share my faith with my family and Swamp Lutheran Church is the center of all of that.

GENEROSITY MINUTE

BUILDING A CULTURE OF GENEROSITY

RECOGNIZING YOUR NEED TO GIVE

It is a fundamental spiritual and psychological principle that life and its gifts are to be used and shared. Life cannot be hoarded or it turns in upon itself and you lose it. "Whoever would save his life will lose it, and whoever loses his life for my sake will find it. (*Matthew 16:25*) We each have a deep inherent need to give. To give is to live!

But unfortunately, instead of focusing on our own need to give, all too often we center on the need of the church to receive. The church does seek our support but we must remember it is God's Church and it will prosper and flourish in God's own good time whether we give to it or not. The wonder of it all is what God invites us to be a part of--God's church and to experience the joy and blessing of generously supporting and extending its mission.

Just as a coin, Christian giving has two sides. For too long, we centered mostly on the side entitled "The Need of the Church." We need to begin concentrating on the side headed "My Need to Give" for giving is an integral part of spiritual life and growth.
