## Swamp Evangelical Lutheran Church

NOVEMBER 2022

### *From Pastor Scott*

On October 30, we celebrated Reformation Sunday. Here at Swamp Lutheran, we continue to reform. Perhaps not theologically like Martin Luther did, but we do adjust our ministry.

We have just introduced a new Zoom Bible Study on Tuesday evenings at 6 pm. Each week, we will engage the Gospel lesson from the previous Sunday. We follow a study guide provided by the ELCA that helps us to dig deeper into the text. We do some reading and respond to questions. The discussions can really help us to gain a fuller understanding.

I encourage you to check it out as it can really help with your faith journey. The link is the same every week, while the study guide changes weekly. Look for the

weekly emails containing the study guide and link. In case you miss the email, here is the Zoom link: <https://us06web.zoom.us/j/83953107027?pwd=NUlVSndsMUlyR000TlI1bmxFbGc5UT09>

I also encourage you to take note of the various events taking place at Swamp in the next two months as we head into Advent and Christmas. Discipleship opportunities abound.

As we look forward to Thanksgiving, I am reminded of all the blessings we receive from God, and I am thankful. I can't believe it, but it has been one year since I began serving as your pastor. I am so very grateful for your support and partnership in ministry. I have felt the Spirit at work through you.

It is also the Holy Spirit at work in our hearts as we each respond faithfully to our fall Generosity Appeal which involves each of us com-

pleting and returning our giving intention forms during worship on November 6. You will receive a letter and an intention form the first week of November. Please prayerfully consider how your increased monetary gifts can help grow our ministry reach here at Swamp as we seek to share the Gospel.

And, if you don't use it already, please consider enrolling in our secure automatic online giving program. It is an easy way to maintain your giving throughout the year. I love it. I call it "Set it and Forget it." No fussing with checks and envelopes or trying to remember all that. Check out the link here: <https://swamplutheran.org/giving>. If you have questions or need assistance, our co-treasurers can assist you.

Let's all live our lives generously and gratefully, trusting in God's promises to provide and guide. It's what living an abundant life is all about.

In Christ,

*Pastor Scott*

THERE IS ALWAYS  
SOMETHING TO BE THANKFUL FOR

## SLY UPCOMING EVENTS JOIN US *and* BRING YOUR FRIENDS

November 20	5-8PM	Thanksgiving Meal
December 4	10:15AM	Hospitality Baskets
December 17		Wreaths Across America Indiantown Gap

### WREATH SPONSORSHIP

***What does it mean to sponsor a wreath?*** It means you'll honor an American hero at one of more than 2,800 locations nationwide this year on Wreaths Across America Day. It's a day that's been set aside to lay wreaths at the places where we remember, honor and teach about our veterans: cemeteries, monuments, parks... Anywhere we can pay tribute to their sacrifices. We can't do that without your support, though. Your sponsorship will ensure that a wreath is hand-crafted of all-American balsam and hand-tied with a red velvet bow here in Columbia Falls, Maine. It will then be sent to one of our participating locations, where a volunteer will place it on the marker of a fallen hero. That volunteer will then "say their name" to ensure that the legacy of duty, service and sacrifice of that veteran is never forgotten. So, what does it mean to sponsor a wreath? It means you have the opportunity to join a grateful nation in saying "thank you" to our veterans.

**Wreath sponsorships are available for \$15 each.** Five dollars of every wreath purchased is returned to the Swamp Lutheran Youth Group to help support our activities throughout the year. **Checks can be made payable to the Swamp Lutheran Youth Group.** Look for the youth and youth leaders to be in the narthex over the next few weeks to collect sponsorship money and answer questions.

**Please join the Swamp Lutheran Youth Group on Saturday December 17, 2022, to lay a wreath at the Indiantown Gap National Cemetery in Lebanon County Pennsylvania! We will meet at church at 10:30am to travel to the cemetery.**

It has come to our attention that patients at the VA Medical Center in Lebanon need Lap Robes. The size of the Lap Robe needed is **3.5' x 5'** and may be knitted, crocheted, or made of fleece. Since the Lap Robes are sent home with the patient when they leave the VA, there is an ongoing need for them. If you currently make prayer shawls, please consider switching to making Lap Robes. **Yarn is available from the church, if needed.** We will be collecting the Lap Robes in the Church Library. So far the church has delivered 25 lap robes to the VA in Lebanon. **Thank you to all continuing to work on this**

**GUESS WHO?**

I grew up in Piscataway, NJ. I was raised in the local Lutheran Church. I was active in Boy Scouts. I worked on the “God and Country Award” and achieved 1st Class – Star level. After I graduated High School, I attended Luther College for one semester to study Pre Divinity. Ministry is a noble profession. I was drawn to it. I also attended Trenton State College and Middlesex College for a short period. I can say I tried higher education, but it did not fit at the time. So, I went to work.

I loved playing with Tonka toys when I was a kid. One of my first jobs was to drive truck. I have hauled cranes, wreckers, steel and excavating equipment. One of my friends suggested I attend a 2 year school for Landscape Design & Maintenance. He recently hired a young graduate from this school for his company and thought it would be a good idea to talk with her. That is how I met my wife – on a blind date. When we went for our marriage license, I had one address and my future wife and the Best Man had the same address. There’s a story there for another time. We got married in October. We have 3 girls.

My parents grew up around the Pottsville area and wanted to move back to PA. They bought 11 acres in Schuylkill Haven. My wife & I moved to PA. I was self-employed. We purchased the home of Calvin & Verna Brown. I figured this was part of a higher plan because there was a Lutheran Hymnal sitting on the piano. This is how we came to Swamp Lutheran Church.

When I was 17 years old, I served on our Church Council as the Youth Representative. I have served on Swamp’s Church Council probably half of my 32 years here. I also helped teach the Adult Sunday School class.

I love music. I took guitar lessons when I was 10 years old. In Junior High School, I switched to the Bass guitar. I played in the Band, sang in the Chorus. I bought my first Bass in my Freshman year in High School. I played with a local Band. We played at Church Dances and in some Bars. I was invited to play Bass with a band called “Country Addition.” I was 17 years old. The other guys were 40 something. We played Rock and Blues music. Darryl Dech got me interested to participate here at Swamp. I continue to play in a Band. We have even cut some CD’s.

I remember standing next to my Mom in church. She came from a family of 8 kids. They all would break into singing songs including harmony a lot. My one Uncle sang for a Barber Shop Quartet. I credit my musical talent to my Mom. She also instilled in me how important church is to your day to day life. I thoroughly enjoy the Community of Church. It is important for me to maintain a positive attitude throughout my life. You never know what impact your positive attitude will have on someone when you carry your Community of Church with you everyday.

## BUILDING A CULTURE OF GENEROSITY

Dear Swamp Lutheran family:

Although I recall how we lived weekly paycheck to weekly paycheck, I grew up in a family that didn't talk much about money. I saw the envelope on the table each week to be taken with us to church, but for the life of me, I cannot tell you if it included \$1 or \$1000. We never talked about it.

So, I guess my family was generous within its means. I learned to give each week, but I didn't learn what to give. Fortunately, people have mentored that for me.

When I was in seminary, twice per year a church friend would send me a check for \$100 to "help me with my studies." It taught me to think more of others.

Also, while in seminary, I met Sarah. She shared her journey with me. When she and her husband, Doug, first got married, they thought they should tithe 10% because they read about that in the Bible. However, financially, that was not a possibility for them. So, they made a covenant with one another to grow their giving by a percent each year. When Doug died, they were giving away 38% of their income!

Recently, a fellow pastor told me a story of how one of her parishioners, Bob, who is homebound because of his immune system issues called her and asked her to meet him in the parking lot. He handed her a check and said, "I should have given you this last year, but I was worried about the future too much. As I see people hurting, I realized that I actually have enough and I want you to use it to make a difference." It was a check for \$4,000!

I'm surrounded by generous people who continue to teach me about generosity. As we think about our giving for next year, Jen and I have decided that we will increase our monthly automatic online giving by \$80. We aren't sure how exactly that will go with college tuition bills for Abigail on top of our normal expenses, but we have trusted in God's provision in the past and have not been let down yet.

I look forward to hearing more of your stories of generosity as we travel this generosity journey together.

In Peace,  
*Pastor Scott*

**US FLAGS** When a US flag becomes worn, faded, torn or soiled, it should be retired and replaced with a new flag. For those of you interested in retiring your worn US flags, please bring them to the church.
