Pastor's Message

Dear Friends in Christ,

As the trees burst into color and the days grow cooler, we're reminded once again of God's creativity and care in every season. Autumn offers us a sacred invitation — to reflect, give thanks, and rededicate ourselves to God's ongoing work in our lives and in our community.

October is a busy and beautiful time at Swamp Lutheran Church. We begin with one of the most joyful traditions of the season — the **Blessing of the Pets on October 5**. This special gathering reminds us of God's love for all creation and the important role our animal companions play in our lives. Whether furry, feathered, or scaled, all creatures are welcome as we give thanks for their presence and pray for their health and happiness.

Later in the month, we put our faith into action with the **CROP Walk on October 19**. This community effort is about more than just raising funds — it's about walking in solidarity with those who walk every day for food and clean water. When we take each step, we're embodying Christ's call to serve "the least of these" and to be part of a global movement against hunger.

And of course, we celebrate the blessing of good food and good fellowship with our much anticipated **Pig Stomach Take-Out on October 25**. This isn't just a beloved, delicious local tradition — it's also a way we support our church and share in joyful service together.

In all of this, we see the Church at its best: worshiping, serving, celebrating, and connecting. These events, big and small, remind us that being the body of Christ means showing up — with our hearts, our hands, and sometimes even our pets.

As we prepare for **Reformation Sunday on October 26**, we're reminded that the Church is always being reformed — not by our efforts alone, but by God's Spirit at work within us. May this season deepen our faith, strengthen our community, and renew our commitment to walk humbly with our God.

Grateful to be walking this journey with you,

Pastor Scott

Generosity Minute

Dear Swamp Church Family,

As the cool air settles in and the leaves begin to turn, we find ourselves once again in a season that points us to harvest—a time of abundance, gratitude, and giving. October is a natural season to reflect on generosity, not just as an act, but as a way of life shaped by the grace of God.

The Apostle Paul reminds us in 2 Corinthians 9:7, “Each of you should give what you have decided in your heart to give... for God loves a cheerful giver.” Generosity, at its heart, is our response to all that God has first given us. It is an expression of our faith, our love, and our trust in God's provision.

This month, we have a tangible opportunity to embody that spirit of giving during the CROP Walk for Hunger on October 19. By walking or supporting others who do, we stand with those in our local and global communities who struggle daily with food insecurity. It's a small step that can make a big difference.

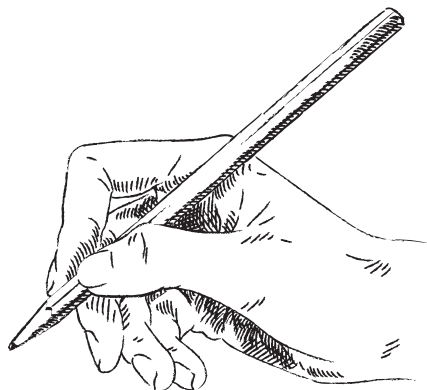

At the same time, we are also mindful of the needs within our own church family. The ministries of Swamp—our worship, education, outreach, and care—depend on the faithful and generous support of our members. As we enter the final months of the year, we encourage you to prayerfully consider how you can help strengthen our shared mission. Every gift, no matter the size, enables us to close our funding gap so we can continue being the hands and feet of Christ in our community.

Let us be a people who sow generously—so that through our giving, others might come to know the love and hope found in Jesus Christ.

In gratitude and grace,

Generosity Committee

Swamp Needs Your Help!

Tell Pastor Scott if you can help or want to learn more
Most pressing needs include:

Learning Committee: Connie Malafarina and Connie Taylor are stepping back and only pitching in when needed in a pinch. So, we could use new committee members interested in fostering the faith of our disciples, both young and old.

SLY: Connie Malafarina and Ryan Ranck have stepped back from their leadership roles with the youth group. We need additional leaders to guide this ministry.

Worship Committee: We can always use fresh perspectives on worship. New members on the Worship Committee are always welcome.

Sunday School teachers: We need another teacher for the prekindergarten to 3rd grade class and our high school class.

Generosity Committee: We need additional disciples to help promote generosity to God's work at Swamp.

Property Committee: We need help attending to the property needs of Swamp. Consider adopting a flower bed to maintain or giving of a skill (electrician, plumbing, carpentry, painting, etc.).

Choir: We need singers for Swamp's Chancel Choir to lead our singing in worship.

Bell Choir: Ringers needed for this music ministry.
