

Details about Live-Stream Concerts, Donations, and Returning to RUHS

August 2021

<p>Q. Are all 3 Live-Stream concerts Free?</p>	<p>Q. Can my family and friends register to enjoy the Live-Stream concerts?</p>
<p>YES – Winter 2020 was the last concert SBCCA was able to present in-person. When the SBCCA board met this Spring, we could not reliably predict when the RUHS auditorium would be available. We did not want to wait another year. Thus we bring you 3 live-stream concerts from the professional “Studio32” of our friends Andy & Renee.</p> <p>For the 2019-2020 season subscribers paid for, SBCCA had to cancel the final performance due to Covid-19 indoor restrictions. The free Live-Stream concerts are a way to offer replacement shows for members who paid for the 2019-2020 season but were unable to attend the last performance.</p>	<p>YES – SBCCA encourages you to invite your family and friends to enjoy these concerts. Go to sbconcerts.org. Click on a link to a concert. This takes you to “Eventbrite” where YouTube links to all 3 concerts are posted. This is a great way to introduce SBCCA to people who may have never been to a concert at Redondo Union High School.</p> <p>Many people have visited sbconcerts.org and registered on Eventbrite. Registration is free and helps SBCCA know who is attending and if guests are new to SBCCA. It helps SBCCA add to our mailing list for people to receive newsletters and follow SBCCA on Facebook and sbconcerts.org</p>
<p>Q. Can I watch the Live-Stream concerts on any device that can access YouTube?</p>	<p>Q. Do I need a camera to watch the Live-Stream concerts?</p>
<p>YES – All 3 Live-Stream concerts will play on your computer, laptop, iPad, smartphone, etc. You can even listen in your car on the way home. Andy & Renee produce these concerts from their studio in Torrance; They provide us with the YouTube link.</p>	<p>NO – The concert is an event to watch & hear. This is not like a Zoom meeting. No one else will see you or hear you chat with family & friends. In fact, you can eat, drink and dance w/out distracting the performers or people you used to sit with.</p>
<p>Q. When can I buy tickets for January 22nd and April 9th auditorium concerts at RUHS?</p>	<p>Q. When will SBCCA return to having a full-season subscription of concerts?</p>
<p>VERY SOON -- Information will be posted at sbconcerts.org to buy tickets to one auditorium concert (\$30) or both concerts (\$40). You will be able to pay for tickets online or by sending a check.</p>	<p>FALL 2022 – SBCCA is making plans to return to a full-season at Redondo Union High School for Fall 2022 / Spring 2023. It is our hope that by then we can rely on a full year of in-person attendance.</p>
<p>Q. Why is SBCCA accepting donations?</p>	<p>Q. Are SBCCA donations tax-deductible?</p>
<p>SBCCA accepts donations as a way to offset the cost of Live-Stream concerts. You can donate any amount -- \$25, \$40, \$50, or a custom amount.</p> <p>Accepting donations also publicizes that SBCCA has been a nonprofit organization providing a great community service for more than 50 years. We’ve always sold tickets to concerts. In our heyday we sold 1200 season passes each year and had a waiting list! SBCCA appreciates all donations.</p>	<p>YES – Donations are tax-deductible because . SBCCA has always been a nonprofit organization.</p> <p>Donations are managed by “Donorbox”, a user-friendly service that helps nonprofit organizations. Start at sbconcerts.org .Click the “Donate Today” link. That link takes you to Donorbox. Provide your information and a donation amount. Donorbox will send you an email acknowledging your donation. Save this email for you tax returns. THANKS!</p>
