Please join us in giving well-deserved pats on the back to Danny Blake & Lori Logan for working with entertainers, agents and our venue to arrange all performances.

Danny is our new Vice-President, thanks to Lori teaching him the ropes.

For 50 years, SBCCA's board & volunteers have brought quality entertainers from all over North America to perform in Redondo Beach at reasonable ticket prices.

We are grateful to have shared these great shows and memories with you.

This upcoming season will be just as enjoyable and memorable!
