Electric violinist Susie Hansen plays fiery Latin jazz and salsa, creating music that brings audiences to their feet dancing in the aisles.

A long-time favorite in Los Angeles, Susie and her band play 100 to 150 live performances each year, including such events as the Playboy Jazz Festival, Fiesta Broadway, San Jose Jazz Festival, LA Salsa Festival and Newport Beach Jazz Festival.

Just Dave Band is a touring country band from Los Angeles' San Fernando Valley. Led by singer/songwriter Dave "Just Dave" Bernal, the band's high-energy performance gives a "rocky" edge to country music, capturing the best of California Country's sounds, blending Bakersfield and Laurel Canyon with a little Texas outlaw and 90s country rock thrown in.

Los Angeles-based singer Maria Schafer creates a spellbinding concoction of expansive melodies, charming delivery of cheeky lyrics, and alchemical interplay on the stage.

Centered in straight-ahead jazz, her sweetly lithe voice weaves intimate communication and playful improvisation through remarkable chestnut-worthy originals culling influences from swing, Afro-Cuban, Brazilian jazz, and more.
