“THOMAS PANDOLFI”

Thomas Pandolfi is an exciting virtuoso who, with each passing season, is becoming more and more sought after by audiences worldwide, and showered with superlatives by critics for his passionate artistry and amazing technique. His remarkably warm and communicative tone uniquely “sings” and projects the poetry and emotion of whatever he plays, not only the classical standards, but also cross-over sensations. His transcriptions of the

Meet a Board Member!

A New Board Member this year – Susan Behar

I am a native of SoCal born and raised in the South Bay. As much as I've traveled and found beauty in so many places, I still come back home to Redondo Beach. I had an amazing childhood along with my four brothers. We grew up listening to all kinds of music, from classical to the classics. We also looked forward to our family outings which were always lots of fun. I played violin from the 5th grade through my senior year in high school. Our school put on two musicals a year and sitting in the orchestra playing the scores was the most exciting experience! In addition to loving music and musicals, I have a bit of a dance under my feet as well!

My business background is in retail banking, mostly in middle management. Loved my work and after 33 1/2 years, I can say I'm retired. After retirement, I became busier than ever! In addition to a few hobbies, I volunteer with the South Bay Community Concert Association as well as at the Norris Theater in Palos Verdes. Through this work, I have met so many wonderful people and I am pleased to have so many new experiences!

I do look forward to meeting you at our Community Concerts!
