BRING THE ACADEMY TO YOUR ORGANIZATION

Introducing Board Chairs Academy “To Go”

Over the years, nonprofit organizations have asked that specific workshops or the entire Academy is offered exclusively to their boards. Each customer “picks and chooses” any or all of the 2.5-hour programs based on their unique learning needs. Class size is limited to up to 40 people including current and prospective board members, staff and any others you may want to invite. Each session is facilitated by two instructors. The cost is \$1800 per module or \$8000 for the entire series, which is less than \$27 per hour of focused group board training for each board member serving on a 20-member board.
