We Protect You From Head To Toe.

We are here to serve.

Our main goal is to serve our clients with respect they deserve. We provide friendly customer service, quality products with warranty and reasonable market price. Our mind set is based on values and when we do business together we all win.

YES, we customize.

Our customers are free to request special orders with custom made requirements, and we can make accordingly with the design, colors, materials, dimensions, sizes and other specific features.

Our own products are made in accordance with international industry standards.

We provide logistics expertise services, so we can ship any order worldwide with export license and correct documentation.

We can supply products from more than 150+ American respected brands and industry leaders manufacturing with high quality, delivering on time, even with rush orders.

Our manufacturers of ballistics products offer certified body armor made in accordance with US NIJ National Institute of Justice with minimum performance standard developed in collaboration with the Office of Law Enforcement Standards (OLEES) of the National Institute of Standards and Technology (NIST).

Focus on What You Do Best

We enjoy working together with loyal customers and responsible manufacturers in positive synergy where everyone will benefit with our business relationships because we are always focusing in the final results:
