

After a successful year thanks to our wonderful Members and our many guests,

we are delighted to announce our 2025-2026 annual Membership offering.

Midland Valley Golf Club offers a unique combination: exclusive access for Members and their guests along with public access for our guests. The fees for membership at MVGC will be reviewed annually and modified to accommodate the operational expenses of the Club. We intend to continually improve and subsequently maintain a high-level Club experience for our Members and Guests while keeping Fees stable and affordable from year to year. We hope you have seen the changes and will continue to support your hometown club where generations play!
