We all are having a very busy lifestyle and most of us has forgotten our basic responsibilities towards society. In the backdrop of such a scenario True Life Unity has emerged as a boon for the society. People here realise that they have social responsibility and are working really hard for the upliftment of weaker section of the society.

May you keep going. Best wishes..

Mr. Ravi Shankar

I would appreciate to each and every member and founders of True Life Unity who are creating footprints by doing nobel jobs for the needy and Pooors. TLU is right path for humanity which promotes children of poor family for better education and social welfare. It encourages all who wish to contribute or donate for the betterment and bright future of the children or needy person of poor family. I am happy to be a part of it and I will continue to serve as far as possible.

Mr. Deepak Goel

I feel proud to be associated with "True Life Unity" (NGO) in its social works. I am really impressed with NGO. The activities and the effort of True Life Unity towards humanitarian issues are quite prominent. I always support the organisation as it is making a great effort to bring smiles to the poor children in India. It plays an important role in fulfilling the needs of the children of the village. It provides School Uniform and study materials from time to time. It is playing a key role in protecting the environment like planting trees, prevention of water, etc. It is really right path in humanitarian, educational, health care, social, environmental, and other areas. I will always continue to serve as long as possible.

अपने लिए तो सभी जीते हैं जरूरतमंदों और गरीबों के लिए जीना ही असली जिन्दगी का मकसद होना चाहिए। 5 सालों इस संस्था से जुड़ा होना लोगों को सर्दियों में गर्म कपड़े, कम्बल, जैकेट देना, गरीब बच्चों को स्कूल बैग, स्कूल स्वेटर, और खाने पीने की चीजें दे कर उनके चेहरे की मुस्कराहट देखने से जो खुशी मिलती है मन को वो जिन्दगी के किसी और काम में करने पर नहीं मिलती। धन्यवाद देता हूँ उन लोगों को भी साथ साथ जो हमारे साथ जुड़ कर उन बच्चों और गरीबों की खुशी का माध्यम बने हैं।

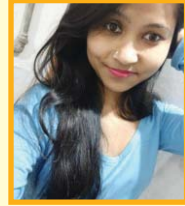

Mr. Manoj K Singh

I feel honoured to work with this organisation. This NGO promotes the cause of education amongst underprivileged children. The people behind the True Life Unity have vision towards children to be the future of this country, so they developed programs likewise healthcare, education, livelihood, women empowerment to a system where privileged children can help their underprivileged mates.

Mr. Jai Prakash

It's great what "True Life Unity" do, and exciting to see it in action. A very effective organisation that helps poor and needy people. Nowadays everyone is busy in their own schedule, but TLU makes it possible and tries to help in every manner. They are doing such a noble work.

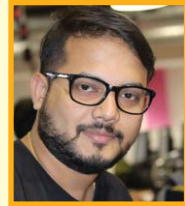

Miss Babli Sikdar

I have joined this NGO about 4-5 years back and found the fully dedicated team members. They are really doing very good job on humanitarian grounds. Such type of organisations should come forward to strengthen the nation. We wish that more people joined and work collaboratively.

Mrs. Samina Khan

Great starting and want to join with you all because alone we can do so little and together we can do so much. Our little contributions and our manpower can help people & fulfill their some needs. Hope by our work will inspires many persons and can give reason to involve in this small family and i am sure we will achieve many things by doing some noble activities.

Mr. Manoj Malakar

True Life Unity is a stronger help center for poor people, and weaker section of our society. True Life Unity always ready to help to poor & needy school students.
