- Rarely, an individual class session may be cancelled due to a holiday or other cause. Cancellations will be made up during designated Make-Up Class Week, December 16 - 22, when we would otherwise not have class. These classes are not for when a student misses a class.

Discounts

- 15% off for Early Bird Registration AND PAYMENT IN FULL by August 15, 2024!
- 15% off for military families
- 10% off enrollment in additional classes (full rate for 1st class)
- 10% off enrollment for each additional child in the family
- Discounts cannot be combined, except for the cash/check discount.

Unlimited Plan

When you pay for 4 weekly classes for one child, all additional classes for that child are FREE! Classes can be paid in full at registration or

via monthly payments. No other discounts apply to that student's classes. Siblings' classes are eligible for the Multi-Class Discount if they are not taking more than four classes.

Payments

Families must enroll their students through the Parent Portal and select whether they would like to pay the semester's tuition in full at registration or by monthly payments. Please note, the Parent Portal only shows monthly tuition fees, without applicable discounts, which will be applied before your credit card is charged. If paying monthly, the first month's tuition will be charged to the credit card on file at registration, and additional payments will be processed on or around October 1, November 1, and December 1.

To pay by cash or check and receive the 3% discount, payment must be received by the 1st of the month, or the credit card will be charged. Payments not received by the 5th will incur an additional \$40 late fee.

Performances

We view performance participation as critical to our student's growth and ability to have a full arts experience, therefore performance and costume fees have already been included in the semester's tuition and performance participation is mandatory. December performance dates coming soon!

Withdrawals

In enrolling, you are committing to a full semester of classes and tuition, even if you opt for the monthly payment plan. However, we want each student to LOVE their selected class(es). If a class is not working out, your child may transfer to a class that is a better fit. If an alternate class cannot be found, we require 30 days written notice prior to the withdrawal date. A prorated refund will be issued based on withdrawal date.
