Discounts

- 15% off for **Early Bird registration & PAYMENT IN FULL by December 8, 2023!**
- 15% off for military families
- 10% off enrollment in additional classes (full rate for 1st class)
- 10% off enrollment for each additional child in the family

Unlimited Plan

For the 2023-2024 school year, **when you pay for 4 weekly classes for one child, all additional classes for that child are FREE!** Classes can be paid in full at registration or via monthly payments. No other discounts apply to that student's classes. Siblings' classes are eligible for the Multi-Class Discount if they are not taking more than four classes.

Payments

Families must enroll their students through the Parent Portal and select whether they would like to pay the semester's tuition in full at registration, or via automatic monthly credit card payments. If not paying in full, **the first month's tuition will be charged at registration**, and the additional payments will be processed on or around February 1, March 1, April 1, and May 1.

Please note, the Parent Portal defaults to showing **monthly fees**, without showing any discounts, which will be applied after enrollment.

We also accept cash, check (made out to Seaside Arts Center), Venmo, or PayPal. If paying via one of these methods, payment must be received by the 1st of the month, or the credit card will be charged. Payments not received by the 5th will incur an additional \$40 late fee.

Performances

We view participation in performances as critical to our students' growth and ability to have a full arts experience, therefore performance and costume fees have already been worked into the semester's tuition and participation is mandatory. **Our Spring Showcase will take place on May 17-19, at the Star Theater in Oceanside.** (Students in Visual Arts classes will have a gallery show on May 18 and students in Private Lessons will have a performance at Seaside on May 5.)

Withdrawals

In enrolling in a class you are committing to the full semester of classes and tuition, even if you opt for the monthly payment plan. However, we want each student to LOVE their selected class(es). If a class is not working out, we will make every effort to transfer your child's enrollment to a class that is a better fit. However, if an alternate class cannot be found and a student must withdraw, we require 30 days written notice prior to the withdrawal date. A prorated tuition refund will be issued based on withdrawal date.
