TICKET PACKAGES

WE ARE EXCITED TO INTRODUCE NEW TICKET PACKAGES, WHICH WILL ENHANCE PRODUCTION VALUE AND GIVE ALL SEASIDE FAMILIES THE OPPORTUNITY TO SUPPORT EQUITABLE ARTS EDUCATION FOR ALL IN OUR COMMUNITY.

Studies show that the arts improve a student's academic performance and social-emotional well-being. However, children from low-income households are disproportionately excluded from these benefits. At Seaside, we seek to bridge this divide, and provide access to dance, music, and visual arts classes to qualifying students, who would otherwise not have access.

YOUR GENEROSITY TODAY CAN HELP US FURTHER OUR MISSION!

Customize your ticket orders to include VIP seating and fun perks that give you and your family the chance to make memories together onstage, all while supporting our community. By purchasing a Ticket Package you are helping make our high-quality dance, theater, music, and visual arts classes accessible to all.

General Admission tickets will still be available.
