Do you allow text messages?

How did you find out about Kat and Dogs Ohio?

For security purposes, how would you like for KADO to enter your house? If using an access code, KADO encourages pet parents to leave a house key as backup in case the power goes out, invalid code, etc.

For security purposes, if using an access code, what is the code?

For security purposes, if an alarm system will be in use, what is the code and directions to arm/disarm the alarm system?

For security purposes, are there security cameras installed? If so, where are they located?

Where is your breaker-box located?

Where is your water shut-off valve located?
