

# TEACHER - 4TH GRADE

Seacoast Classical Academy is committed to providing a rigorous academic program for families seeking a world-class education through a classical liberal arts curriculum while upholding family rights. We emphasize excellent character education and always seek exceptional teachers and administrators who share our commitment to promoting superior educational results. We believe that living by virtue can make a life-changing difference in the lives of children and their families. Our scholars seek a rigorous education and are ready to work hard and do their part. The Hillsdale College K-12 Curriculum is the backbone of our academic program, serving grades K-9 (scaling to K-12 in three more years).

We are gathering and reviewing resumes from educators who are passionate about teaching and interested in working at Seacoast Classical. We will reach out as our staffing becomes more apparent for the Fall. If you are interested, please send us your resume and a letter of interest, telling us why you are interested.
