In the day-to-day life of the Academy, we will cultivate a culture of virtue, decorum, respect, discipline, and studiousness among both scholars and faculty. The Administration shall weave this culture into the Family and Employee Handbooks.

The Academy Virtues form the foundation of our expectations of staff behavior.

Sapientia	Wisdom	We exercise understanding and good judgment.
Veritas	Truth	We uphold objective standards of knowledge and thought.
Fortitudo	Fortitude	We do what we believe is right though difficult.
Excellentia	Excellence	We strive persistently to surpass our former selves.

The Board of Trustees hereby adopts the Code of Conduct for New Hampshire educators as adopted by the New Hampshire Board of Education in administrative rule Ed 510 as amended from time to time. The Code of Conduct is incorporated here by reference. The Executive Director shall ensure the implementation of the Code of Conduct. Annually, the Academy Administration shall provide this policy, including the incorporated Code of Conduct, to each employee, regular volunteer, and contractor.
