The Teachers of Seacoast Classical Academy provide academically excellent instruction and opportunities for creative exercise of learning to young scholars, while upholding family rights. The curriculum of the Academy is the Hillsdale College K-12 Curriculum. Teachers report to the Principal. This is a part-time position with hourly rate dependent on experience and qualifications. It is possibly a full-time position if a candidate can teach middle-school Latin in addition to K-5 Spanish. Applicants should send a cover letter and a resume to hr@seacoastclassical.org.

Seacoast Classical teachers are attracted to our institutional vision and educational mission, and want to advance them for the scholars. In return for this dedication, we focus the role of the teacher on academics. Our classical curriculum is one of enduring value, and will not shift frequently. Our pedagogy is of known soundness, and will not follow trends. We will maintain academic focus, and will not impose extraneous mandates on teachers. Academic focus—combined with curricular and pedagogical excellence and stability—simplifies the job of our teachers and thereby increases their effectiveness.
