

In July 2016, the Robbie Davis Memorial Foundation was founded after Robbie's unexpected passing. Robbie was known for his generosity and in particular, his generosity and compassion for children that might not have had the same opportunities that he had and that he had given his own sons. It is the Foundation's desire to continue Robbie's generosity and encouragement to young people – in particular those who might otherwise not have the financial means to participate.

Since 2016, the Robbie Davis Memorial Foundation has given grants totaling over \$50,000. to hundreds of children in a variety of activities including athletic, education and personal development. Just to name a few, we have purchased prescription sports goggles, provided necessary equipment such as shoes and cleats for young athletes, helped purchase team uniforms, sent students to educational conferences and a variety of camps.....the list goes on! It has been an amazing opportunity for many of us who loved and miss Robbie to carry on his legacy of generosity and encouragement.

Our Mission Statement: The Robbie Davis Memorial Foundation is committed to helping children realize their potential through opportunities in athletics, education, and personal development.

The Robbie Davis Memorial Foundation is a component fund of The Foundation for Appalachian Kentucky. Appalachianky.org Tax ID # 61-1329396

For more information or to contact us regarding a child we might be able to provide assistance to or to make a donation, find us on Facebook, Instagram or contact Mike Davis- mike@davismarineinsurance.com, Amy Young- amy@emailyoung.com, or Amy Davis Amonett – amygarmondavis.com or any of our board members.
