

Somers Youth Softball

2023 Sponsorship Opportunity

Somers Youth Softball would like to extend an offer to any Company or Family who would like to be involved as a sponsor of our softball program.

This program includes instructional and competitive play for girls ages 4 through 16. Somers Youth Softball has been and continues to be a great way for our children to enjoy playing softball while teaching them to work as a team, to build self-confidence and to improve their softball skills.

While we have worked hard to keep our registration fees to a minimum, the fees cover less than half of the annual operating costs of the league. Your financial support will be used to offset the expenses associated with this program so that we may continue to offer the kids the greatest opportunity to grow in the sport while having fun.
