OUR SERVICES

EMBROIDERY

Your message or logo is machine stitched using high quality ISACORD thread known for its abrasion resistant, robust and excellent colour fastness.

VINYL PRINTING

Using a sophisticated cutting machine we can create your logo or message onto fabric, walls or everyday items.

INFUSIBLE INK

Infusible ink also known as sublimation, is a process which uses special inks that when heated to a high temperature can be transfered onto a variety of materials.
