About Us

- **TREND TRADE** :is a pioneering Egyptian entity in the field of foodstuff export, headquartered in the Arab Republic of Egypt. Our specialization lies in delivering the finest Egyptian produce to global markets.
- **Our Brands:** We serve you through a portfolio of specialized brands:
 - **VEGIE TURK:** For frozen products (vegetables and fruits).
 - **VT FOOD:** For canned legumes and vegetables
 - **VT JUICES:** For **100% natural frozen** juices.
 - **VT PICKLES:** For various pickles.
- **Global Presence:** We have expanded globally, establishing branches and dedicated cold storage facilities in **Turkey** and the **(USA)**. This allows us to directly serve the retail sector, including local shops and supermarkets in those markets.
- **VEGIE TURK** products are currently available across most US states.
- **Accreditation and Quality:** All our products hold the necessary international **Quality Certifications**, ensuring the highest standards of food safety and global compliance.

Our vision

To become the globally preferred source for high-quality Egyptian food products, and for our brands to be synonymous with authentic taste and trust in every kitchen worldwide.

Who We Are?

This is where your expedition starts, and we will take you from Farm to Fork.

We love to tell you everything you want to know about us our values, our history, our process and who we Serve.

We workday in and day out to deliver the most tasteful Food, fresh from the land of the Nile. We always make sure the fresh taste of the field ends up on your plate too.

Mission

To improve consumers' lifestyles by unlocking the potential of nature and delivering the best quality food from soil.

To achieve this goal, we focus on 4 main pillars

> Our People:

We strive to have the best team whose goal is to deliver the highest standards to ensure the best food experience is delivered to our customers dining table.

> Our Partners:

Our suppliers are our partners. We insist on establishing long-term partnerships with our suppliers and integrate the farms into our production cycle.

> Our Products:

We ensure that our products meet the highest quality and food safety standards by; hand – picking the raw material, utilizing expert technical knowledge & advanced machinery, and controlling the production cycle end to end.

> Our Service:

With a very diversified global portfolio, we offer a personalized customer experience to maximize satisfaction and to efficiently anticipate and react to our customer's needs.

Veggie Türk
