

Dear Future Business Partners,

I hope this message finds you well. My name is David M. Evans, and I, along with my business partner, Nemont Fuller, own Greater Disposal & Recycling LLC. We would like to introduce our company and offer our grease removal and disposal services for your business location.

With over five years of experience serving Houston and the surrounding areas, we have built a reputation for reliable and efficient service. We can gladly provide references from the many businesses we currently service.

Our services include:

- Providing 150-gallon grease traps, along with all necessary maintenance and servicing
- Offering a 24-hour turnaround for any maintenance issues, during both business and off-business hours
- Securing all grease traps at your location with locks for added protection
- Compensating your business for each grease disposal pick-up, whether scheduled or on request
- Providing monthly power washing services for areas in and around your location, if desired
-

We are eager to discuss how we can assist with your grease disposal needs and would love the opportunity to work with you. Please feel free to reach out to me via email at info@greaterdrl.com or by phone at 1-877-783-8701.

Thank you for considering us, and we look forward to hearing from you soon.

Best regards,

David M. Evans, Owner
