Architectural Design Guidelines 2.24

Utility and storage sheds are prohibited. Deck boxes used for outdoor storage are permitted but must be kept within a walled area, below the height of the wall and may not be visible from adjoining lots, streets or common areas.

Keep Coyote Creek looking it's best! Please secure your loose garbage in a closed bag in your trash receptacle.

The WM drivers dump your trash receptacle, they don't pick up the trash that the wind blows about. And don't forget the bulk pick up Saturday April 25.
