JULY 2026

Happy 4th of July

The first community fire safety/Firewise meeting was well attended by our Zone C neighbors. Additional meetings will be scheduled as time permits with the Rincon Fire District. Please note: Firewise information and previous email blasts are accessible without a password on the HOA website and the Cadden Portal under Firewise.

Reminder: Fireworks may only be used on private property. Aerial fireworks are illegal in Pima County. These include bottle rockets, Roman Candles, or anything that is airborne, including firecrackers.

Be sure to have bucket of water to soak your spent fireworks before they go into the trash.

Should any of your fireworks make it to the street please be considerate of your neighbors and clean up the detritus.

For any of our homeowners concerned about a Dollar General Store being built on the corner of OST and CLA.
Here is some information if you would like to write a letter or make a call.
