

COYOTE CREEK

WILDFIRE RISK REDUCTION PROGRAM

FREE WILDLAND HOME ASSESSMENTS FOR RESIDENTS

Protect your home before wildfire season.

Rincon Valley Fire District is offering complimentary **Wildland Home Assessments** to residents of the **Coyote Creek** community.

Our trained personnel will evaluate your property and provide recommendations to:

-  Improve defensible space
-  Reduce wildfire risk
-  Increase home survivability during a wildfire
-  Identify ignition hazards around your home
-  Better prepare your family and property

No citations. No inspections. No enforcement.

This is a voluntary educational service provided at no cost to residents.
