

COYOTE CREEK NO FRILLS NEWSLETTER

April 2026

The Annual HOA meeting took place on March 18
The meeting was informative and to the point. And the food and beverage at the end was an opportunity to socialize with those in attendance.

REMINDER

BULK PICK up on Saturday April 25

Items should be on the curb by 6 am

The Firewise committee hopes you will use the bulk pick up as a starting point to make your property firesafe.

If you haven't changed out your smoke detector batteries our local fire department will change out your batteries. Be sure you have fresh ones on hand.

Call 520-647-3760 for an appointment

Bobcat sightings have been plentiful and Coyotes are out and about as well. Both can jump walls especially if they are hungry, Please feed your dogs and cats indoors or at the very least bring their food dishes in so you aren't attracting critters tyour yard.

For cool car enthusiasts the next cool car get together will be
Saturday May 9 @ 8 a.m. at the Rec Center.
You don't need a cool car to attend. Bring your coffee and a donut
and enjoy !

Homeowners before you hire a contractor or a house keeper or landscaper please provide them with a gate code different from your own. This can help us keep our community safe.

You only need one that's separate from yours for the use of non family members.
