

## SMS Privacy Statement

*Updated 8/22/2026.*

Axis Electric respects the privacy of our customers and is committed to protecting personal information provided through our SMS messaging services.

When you provide your mobile phone number to Axis Electric, it may be used to communicate with you regarding service inquiries, estimates, scheduling, appointment confirmations, project updates, billing matters, and other communications directly related to services you have requested.

Axis Electric does not sell, rent, or share customer mobile phone numbers or SMS opt-in information with third parties for marketing or promotional purposes. SMS consent and opt-in information will not be shared with third parties or affiliates for their own marketing purposes.

Personal information may be shared with service providers only when reasonably necessary to operate our business or provide requested communication services, and where appropriate, those providers are required to protect the information.

Message frequency may vary. Message and data rates may apply. You may opt out of SMS communications at any time by replying **STOP** to a message. For assistance, reply **HELP** or contact Axis Electric directly.

Axis Electric takes reasonable measures to safeguard customer information against unauthorized access, disclosure, alteration, or misuse.

By providing your mobile phone number and consenting to SMS communications, you acknowledge this Privacy Statement and consent to receive service-related text messages from Axis Electric.
