## ***The Power of Integrating Relationships and Results in Workplace Culture***

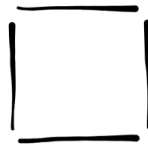

### **Audio Book “Pictures” Supplement**

The following pictures are provided for listeners of the audiobook version of *The Square and the Triangle; The Power of Integrating Relationships and Results in Workplace Culture*. While the audiobook can be of great value, The Square and the Triangle work as a “visual” model – the pictures help to tell the story of leadership. These pictures can be an instant reminder or anchor as to how to successfully manage relationships and results using your own foundational style.

They are provided by chapter so that the listener can go back and reference the audio text along with the associated pictures.
